INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Orange County Convention & Visitors Bureau

We have audited the accompanying financial statements of Orange County Convention & Visitors Bureau (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of revenue, expenses, and changes in net assets—modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Orange County Convention & Visitors Bureau as of December 31, 2015 and 2014, and its revenue, and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2015 AND 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Orange County Convention & Visitors Bureau, Inc. (hereinafter referred to as "the Organization") was established in order to promote conventions and tourism in Orange County, Indiana.

Basis of Presentation

The Organization's financial statements are presented on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. However, donor restricted support whose restrictions are met in the same reporting period in which the support is received is reported as unrestricted support.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fund Accounting

The accounts of the Organization's are maintained in accordance with the principles of fund accounting. The cost of the Organization's program have been reported on a functional basis.

Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three month or less to be cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and depreciation

Office furniture is recorded at cost or at estimated market value at the time of receipt in case of donated equipment. Depreciation is computed by the straight line method over the estimated useful lives of the respective asset accounts as follows:

Leasehold Improvements	5-39 years
Furniture and Fixtures	5-10

Furniture, equipment, and leasehold improvements are capitalized at cost. It is the Organization's policy to capitalize expenditures for these items in excess of \$1,000 and have a useful life in excess of one year. Maintenance and repairs that do not improve or extend the useful lives of the respective assets are currently expensed.

The Organization leases certain items of office equipment. The lease payments are expensed when paid.

Federal and State Income Taxes

The Organization is recognized as a nonprofit corporation under Section 501 of the Internal Revenue Code by both the state and federal taxing authorities. Therefore, no provision for federal or state income taxes is included in the financial statements. The Organization is other than a private foundation.

Property and Equipment
