Board of Commissioners
Charlestown Housing Authority
200 Jennings Street
Charlestown, IN 47111

We have reviewed the audit report prepared by Mountjoy Chilton Medley, LLP, Independent Public Accountants, for the period October 1, 2014 to September 30, 2015. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Charlestown Housing Authority, as of September 30, 2015 and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountants' report is filed with this letter in our office as a matter of public record.

Handwritten signature of Paul D. Joyce in blue ink.

Report on the Financial Statements

We have audited the accompanying financial statements of the Housing Authority of the City of Charlestown (the "Authority") as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of September 30, 2015, and its changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying schedule of expenditures of federal awards as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis, and is not a required part of the basic financial statements. In addition, the financial data schedule is presented for purposes of additional analysis, and is not a required part of the basic financial statements. The schedule of expenditures of federal awards and the financial data schedule are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 14, 2016, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis
September 30, 2015**

As management of the Housing Authority of the City of Charlestown (the "Authority"), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended September 30, 2015.

The MD&A is specifically designed to: 1) assist the reader in focusing on significant financial issues; 2) provide a broad scope overview of the Authority's financial activities; 3) identify and explain changes in the Authority's financial position and 4) highlight any individual funding source issues or concerns.

Since the MD&A is designed to present basic financial statements in a narrative, executive summary format, the reader is encouraged to consider the information presented here in conjunction with the Authority's audited financial statements.

Overview of the Authority

The Authority is organized under the laws of the state of Indiana for the purpose of engaging in the development and administration of low-rent housing programs. The Authority owns and operates 250 public housing units and administers 70 Section 8 Housing Choice Vouchers under Annual Contributions Contract 2050-V with the Department of Housing and Urban Development ("HUD"). The Authority is located in Charlestown, Indiana.

The Authority is governed by a seven member Board of Commissioners who are appointed by the mayor of the City of Charlestown. Under the oversight of that Board, the Authority functions independently from the City of Charlestown government. All revenues, expenses, assets, and obligations of the Authority belong solely to the Authority, not the City of Charlestown or any other entity.

Reporting on the Authority as a Whole

The Statements of Revenues, Expenses, and Changes in Net Position report information about the Authority as a whole and about its activities in a format that helps the reader assess the result of operations for fiscal year 2015. Each statement is a condensed presentation of sources of funding and major activities. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current fiscal year's revenues and expenses are taken into account regardless of when cash is received or paid.

Financial Highlights

- Net position of the Authority increased \$91,819 as of September 30, 2015 from the prior year. That increase was a direct result of revenues exceeding expenses by \$91,819 during the fiscal year ended September 30, 2015.
- Operating revenue of the Authority increased by \$48,494 compared to the prior fiscal year.
- Operating expenses increased by \$129,155 compared to the prior fiscal year.
- Each year the Authority receives a Public Housing Assessment System (PHAS) score from HUD. The score is based upon a 100 point scale, with a maximum of 25 points for indicators of financial performance, 25 points for indicators of management performance, 40 points for indicators of physical conditions, and 10 points for indicators of capital fund performance. For both fiscal years 2015 and 2014 the Authority received an overall score of 98 which is one of the highest scores for any housing authority in the state of Indiana, and ranked the Authority as a "High Performer". Both of those scores included a financial score of 25 out of 25. This is one indication of the financial strength of the Authority and the ability to meet future financial obligations.

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis (Continued)
September 30, 2015**

Fund Financial Statements

All of the funds of the Authority are reported as proprietary funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Enterprises operated by state and local governments, such as the Authority, use fund accounting to ensure compliance with finance-related legal requirements.

The Authority's financial statements report its net position and changes in net position. One can think of the Authority's net position - the difference between assets plus deferred outflows of resources, and liabilities plus deferred inflows of resources - as one way to measure the Authority's financial health, or financial position. Over time, increases and decreases in the Authority's net position are one indicator of whether its financial health is improving or deteriorating. One will need to consider other non-financial factors, however, such as the changes in the Authority's occupancy levels or its legal obligations to HUD, to assess the overall health of the Authority. Management of the Authority makes a concerted effort to be fiscally responsible and operate at a cash flow level of breakeven or better each year.

Using This Annual Report

The Authority's annual report consists of financial statements that show combined information about the Authority's most significant programs, the Public and Indian Housing Program, the Section 8 Housing Choice Vouchers Program, and the Public Housing Capital Fund Program.

The Authority's auditors provided assurance in their independent auditor's report, located immediately preceding the MD&A, that the financial statements are presented fairly in all material respects in accordance with accounting principles generally accepted in the United States of America. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditor's report carefully to determine the level of assurance provided for each of the other parts of this report.

Reporting the Authority's Most Significant Programs

The Authority's financial statements provide detailed information about the most significant programs. Some funds are required to be established by HUD. However, the Authority establishes other funds to help it control and manage money for particular purposes, or to show that it is meeting legal responsibilities for using grants and other funds.

The Authority uses the following accounting approach for Proprietary funds. The focus of proprietary funds is on income measurement, which together with the maintenance of net position, is an important financial indicator. The statements evaluated include:

Statement of Net Position - reports the Authority's current financial resources (short term spendable resources) with capital assets and long-term debt obligations, if any.

Statement of Revenues, Expenses and Changes in Net Position - reports the Authority's operating and non-operating revenues, by major source along with operating and non-operating expenses.

The Authority maintains its books and records utilizing the accrual basis of accounting. Accrual accounting recognizes revenues and expenses when earned regardless of when cash is received or paid.

The following is a description of the programs and services that the Authority provides for its residents:

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis (Continued)
September 30, 2015**

Reporting the Authority's Most Significant Programs (Continued)

Public and Indian Housing Program

The Authority owns 250 units in developments in the City of Charlestown, Indiana. The 250 units owned by the Authority consist of elderly/disabled and family units. The Authority rents those units to individuals and families who meet HUD eligibility guidelines in order to provide them with decent, safe, and sanitary rental housing. The Authority is responsible for the management and maintenance of all units, sites and certain utilities. On an annual basis, the Authority submits a request for funding to HUD, known as the Calculation of Operating Subsidy. The basic concept of the Calculation of Operating Subsidy is that the Authority has an Allowable Operating Expense Level, Allowable Utilities Expenses Level, Allowable Add-ons and Audit Cost that becomes the Authority's Total Allowable Expenses. HUD will fund a portion of the difference between the Total Allowable Expenses and the amount of rents that the Authority can charge their tenants based upon HUD eligibility calculations. Funding is subject to proration due to congressional appropriation and may not be sufficient to fund 100% of the requested amount. Operating subsidy was prorated to approximately 85% of the requested amount for calendar year 2015 and approximately 89% of the requested amount for calendar year 2014.

Section 8 Housing Choice Vouchers Program

This grant program provides rental assistance to help extremely low and low-income families afford decent, safe, and sanitary rental housing. Qualifying tenants have their income analyzed utilizing HUD's guidelines and their rental assistance is calculated accordingly. The Authority is awarded a fixed amount of Budget Authority from HUD on an annual basis to assist participants. The Authority had approval and funding for 70 vouchers during the year ended September 30, 2015. Similar to Public Housing operating funding, Section 8 Housing Choice Vouchers administrative funding from HUD is subject to proration due to Congressional appropriation. Section 8 Housing Choice Vouchers administrative funding was prorated to approximately 81% of the full eligibility amount for calendar year 2015.

Capital Fund Program

HUD awards this grant program on an annual basis. The purposes of these grants are to maintain the physical appearance of the Authority's sites and the administrative management to ensure completion of site improvements in the most effective and efficient manner. The Authority requisitions funds from HUD as the Authority expends funds.

Central Office Cost Center

In addition to the programs noted above, the Authority maintains a Central Office Cost Center ("COCC") as mandated by HUD. All salaries and costs related to administrative functions of the Authority and other costs which do not directly support the specific programs noted above, are charged to the COCC. Funding flows into the COCC from fees which are allowed to be charged to the Low Income Public Housing program and the Section 8 Housing Choice Voucher program, as well as administrative funding provided through the Capital Fund program. Once funds flow through to the COCC they are deemed to be "defederalized" and can then be used by the Authority in any way needed in order to support the Authority's mission.

Authority-Wide Condensed Financial Statements

The Authority's overall financial position and operations for the past two years are summarized below based on the information included in the current and prior financial statements.

***The Housing Authority of the City of Charlestown
Statement of Net Position***

	2015	2014	Increase/Decrease Amount	Percentage
Current assets	\$ 3,134,044	\$ 2,947,035	\$ 187,009	6.3%
Capital assets, net	5,372,390	5,427,784	(55,394)	-1.0%
Total Assets	8,506,434	8,374,819	131,615	1.6%
Deferred Outflows of Resources	-	-	-	
Current liabilities	210,808	170,720	40,088	23.5%
Noncurrent liabilities	89,859	90,151	(292)	-0.3%
Total Liabilities	300,667	260,871	39,796	15.3%
Deferred Inflow of Resources	-	-	-	
Net investment in capital assets	5,372,390	5,427,784	(55,394)	-1.0%
Unrestricted net position	2,833,377	2,681,435	151,942	5.7%
Restricted net position	-	4,729	(4,729)	-100.0%
Total Net Position	\$ 8,205,767	\$ 8,113,948	\$ 91,819	1.1%

Total Assets

The Authority's total assets at September 30, 2015 were \$8,506,434, an increase of approximately \$132,000, or 1.6%, from September 30, 2014. The change in total assets consisted primarily of an increase in unrestricted cash during fiscal year 2015.

Capital Assets

The Authority purchased approximately \$294,000 of capital assets, which consisted primarily of capital improvements to the Authority's public housing units. Overall, net capital assets decreased by approximately 1.0% from September 30, 2014 due to the fact that depreciation expense recognized during the year ended September 30, 2015, exceeded capital asset purchases by approximately \$55,000.

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis (Continued)
September 30, 2015**

Authority-Wide Condensed Financial Statements (Continued)

Total Liabilities

The Authority's total liabilities at September 30, 2015 were \$300,667, an increase of approximately \$40,000, or 15.3%, from September 30, 2014. The increased liabilities were primarily due to two items. One item was increased accrued compensated absences at September 30, 2015 which resulted from a change in Authority policy during the year whereby the cap on payouts of accrued sick time was lifted. The other item was increased accounts payable at September 30, 2015 due to natural fluctuations in the timing of bills received and paid after fiscal year end.

Net Position

The Authority's total net position at September 30, 2015 was \$8,205,767, an increase of approximately \$92,000, or 1.1%, from September 30, 2014. The increase in net position was due to capital fund grants received during fiscal year 2015.

The results of operations for the Authority are presented on the following page:

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis (Continued)
September 30, 2015**

Results of Operations

The change in net position for the year ended September 30, 2015 was \$91,819 compared to \$161,851 for the year ended September 30, 2014. Revenues of the Authority's activities are generated principally from HUD operating subsidies and tenant rental receipts. Operating expense of the Authority's activities consist primarily of maintenance, depreciation, administration, utilities and housing assistance payments.

Tenant rental revenue increased by approximately \$70,000 from the fiscal year 2014 level due to increases in the flat rent amounts implemented by the Authority during fiscal year 2015. However, the change in net position for the year ended September 30, 2015 was still approximately \$70,000 lower than the change in net position for the fiscal year ended September 30, 2014 due to the fact that administrative and maintenance salary expensed increased by approximately a combined \$178,000. Although pay raises accounted for a small portion of that increase, the majority was due to the lifting of the cap on sick leave payouts.

Capital Assets

At September 30, 2015, the Authority has approximately \$5.4 million invested in net capital assets reflected in the following schedule, which represents a decrease of approximately \$55,000 (net of depreciation) from the preceding year.

	<u>2015</u>	<u>2014</u>
Land	\$ 1,296,639	\$ 1,296,639
Buildings	11,394,171	11,100,348
Furniture, equipment and machinery - dwellings	361,895	474,304
Furniture, equipment and machinery - administration	<u>155,381</u>	<u>42,972</u>
Total Capital Assets	13,208,086	12,914,263
Less accumulated depreciation	<u>(7,835,696)</u>	<u>(7,486,479)</u>
Capital Assets, net	<u>\$ 5,372,390</u>	<u>\$ 5,427,784</u>

Additions consisted primarily of capital improvements to the Authority's public housing units and were supported largely through capital fund grants. For additional information, see Note D within the notes to the financial statements.

**Housing Authority of the City of Charlestown
Management's Discussion and Analysis (Continued)
September 30, 2015**

Currently Known Facts, Decisions, or Conditions Expected to Affect Future Financial Position or Results of Operations

The Authority is primarily dependent upon HUD for funding (approximately 51% of fiscal year 2015 revenue came from HUD grants); therefore, the Authority is generally affected more by the federal budget than by local economic conditions.

The amount that the Authority is eligible to receive to cover the gap between public housing rent revenues and operating costs is set by a federal formula. If Congress has failed to provide sufficient funding to cover the full subsidies that the Authority is eligible to receive under the formula, the Authority must find a way to raise revenue, cut costs, or tap other resources to make up for the shortfall. As noted previously, Congress only funded the operating subsidy revenue at approximately 85% of the full eligibility amount for calendar year 2015.

Similar to Public Housing operating subsidy funding, HUD also utilizes a formula to determine the amount of Section 8 Administrative funding they provide to the Authority. In recent years cuts to that funding have been even more extreme than the prorations applied to Public Housing operating subsidy. For calendar year 2015 congress funded Section 8 administrative awards at only approximately 81% of full eligibility.

One HUD strategy for resolving their funding shortfall is a recapture of operating reserves. It is a strategy used to minimize their cash contributions to authorities by requiring the Authority to expend cash on hand, known as operating reserves. HUD utilized this strategy in fiscal year 2012, but has not used this strategy since that time.

Despite the reduced federal funding noted above, the Authority's management takes great pride in consistently operating at a breakeven or better cash flow from operations each year. This commitment to fiscal responsibility is evidenced by the Authority's consistent positive cash flow from operations shown in the current and prior years, as well as the fiscal year 2016 operating budget which also shows positive cash flow from operations. As shown in these financials, we will maintain a fiscally responsible approach regardless of the federal funding situation. This will be done to ensure the Authority is able to continue to serve low income families and individuals to the greatest extent possible for both the near-term and long-term future.

Housing Authority of the City of Charlestown
Notes to Financial Statements
September 30, 2015

Note A - Nature of Organization

The Housing Authority of the City of Charlestown (the "Authority"), a nonprofit organization, is organized under the laws of the State of Indiana for the purpose of engaging in the development and administration of low-rent housing programs. The Authority owns and operates 250 public housing units and administers 70 Section 8 Housing Choice Vouchers under Annual Contributions Contract 2050-V in Charlestown, Indiana.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Charlestown (the "City") and concluded that the City does not bear responsibility for the Authority's operations. The Mayor of the City appoints an independent Board of Commissioners to oversee the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget; is not entitled to any surplus funds generated by the Authority's operations; and is not responsible for any deficits incurred by the Authority. Consequently, in accordance with the Governmental Accounting Standards Board, management has concluded that the Authority is a separate reporting entity.

Funding for the Authority is primarily from HUD and from payments received from tenants of the Authority-owned housing. Under the Public and Indian Housing Program, tenants pay a portion of the rental cost of public housing, based upon their household income. Through operating subsidies, HUD funds the difference between the actual costs to operate an efficiently operated Public and Indian Housing Program and the amounts paid by tenants. These subsidy payments are made to or on behalf of the Authority under the terms and conditions of the annual contributions contract with HUD.

The Section 8 Housing Choice Vouchers Program provides rental supplements to the owners of existing private housing who rent to qualifying individuals. The Authority processes all applicants for the Section 8 Housing Choice Vouchers Program, places approved applicants in housing and pays the owner of the private housing a monthly rental supplement. Under the conditions of an annual contributions contract, HUD provides Housing Assistance Payment revenue and Administrative revenue to the Authority for the rental supplements and the administrative cost of managing the Program.

Note B - Summary of Significant Accounting Policies

The accounting policies of the Authority conform to U.S. generally accepted accounting principles ("GAAP") as applicable to proprietary funds of governments. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The more significant of the Authority's accounting policies are described below:

1. **Basis of Accounting:** The financial statements of the Authority have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.
2. **Basis of Presentation:** All of the Authority's programs are accounted for as one business-type activity (enterprise) for financial reporting purposes. This financial statement presentation provides an indication of the financial performance of the Authority as a whole. Enterprise designations are used to account for activities (a) which are financed with debt that is solely secured by pledge of the net revenues from fees and charges of the activity; (b) which are governed by laws or regulations that require that the activity's costs of providing services be recovered with fees and charges, rather than taxes or similar revenues; or (c) that the pricing policies of the activity establish fees and charges designated to recover its costs.

Housing Authority of the City of Charlestown
Notes to Financial Statements (Continued)
September 30, 2015

Note B - Summary of Significant Accounting Policies (Continued)

2. Basis of Presentation (Continued): In accordance with GASB requirements, the Authority's proprietary funds follow all GASB pronouncements and those Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins, except those that conflict with or contradict a GASB pronouncement.
3. Use of Estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities (and disclosure of contingent assets and liabilities, if any) at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
4. Cash Equivalents: The Authority considers all short-term investments with an original maturity of three months or less to be cash equivalents.
5. Allowance for Doubtful Accounts: The Authority uses the allowance for bad debts method of valuing doubtful accounts receivable which is based on historical experience, coupled with a review of the current status of existing receivables. Management has determined the allowance for doubtful accounts to be \$1,658 at September 30, 2015.
6. Inventories: Inventories, consisting of materials and supplies, are stated at the lower of cost or market, reported on a first-in, first-out basis.
7. Capital Assets: Capital Assets are recorded at cost. Maintenance and repairs are charged to expense as incurred; renewals or betterments are capitalized. Gain or loss on retirements and disposition of assets is credited or charged to operations, and respective costs and accumulated depreciation are eliminated from the accounts.

The capitalization policy for the Authority is that items purchased or betterments, not repairs, in excess of \$1,000 and a useful life of one (1) year will be capitalized.

Depreciation is provided on the basis of the estimated useful lives of the assets using the straight-line method. The estimated useful lives are 10 - 39 years for building and improvements and 5 - 7 years for building equipment, furniture, maintenance equipment and miscellaneous assets.

8. Revenues and Expenses: Revenue from rentals is recorded as earned over the life of the lease, and expenses are charged against such revenue as incurred without regard to the date of receipt or payment of cash. Rental agreements generally do not exceed one year, but are renewable.

The Authority has entered into annual contribution contracts with HUD to develop, manage and own public housing projects and to administer the federal Section 8 programs whereby the Authority pays the owner a portion of the rent, a housing assistance payment ("HAP"), on behalf of the family. Such contributions are reflected as HUD grants in the accompanying financial statements.

9. Subsequent Events: The Authority has evaluated events and transactions for potential recognition or disclosure through the date of the Independent Auditor's Report, the date the accompanying financial statements were available for issuance.

Housing Authority of the City of Charlestown
Notes to Financial Statements (Continued)
September 30, 2015

Note C - Cash Deposits

In accordance with Section 401-(E) of the HUD/PHA Annual Contributions Contract, it is the policy of the Authority to invest its funds in a manner which will provide the highest investment return with maximum security while meeting the daily cash flow needs of the Authority, and comply with all federal, state and local statutes or ordinances governing the investment of public funds.

- A. Custodial Credit Risk: Custodial credit risk for deposits and investments is the risk that, in the event of failure by a financial institution, the Authority may not be able to recover the value of its deposits and investments or collateral securities that are in the possession of the financial institution. Statutes authorize the Authority to invest in certificates of deposit, money market funds, United States government securities and repurchase agreements fully collateralized by United States government securities. All cash and investments are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC) or other equivalent insurance company of depository financial institutions. The deposits exceeding the insured or registered limits are public funds covered in full by the State of Indiana Public Deposit Insurance Fund.
- B. Interest Rate Risk: Interest rate risk is the risk that changes in interest rates of investments will adversely affect the fair value of an investment. The Authority's investment policy limits investments to provide the optimum return on the investment consistent with the cash management program of the Authority.

Investments are made based upon prevailing market conditions at the time of the transaction. The Authority reviews its cash and investment needs in order to maintain adequate liquidity to meet its cash flow needs. Investments will typically be limited to securities maturing in periods of up to one year, or such lesser period that coincides with expected disbursements by the Authority.

- C. Credit Risk: Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Investments are made under the 'prudent investor' standard to ensure that (a) due diligence is exercised in accordance with State law, (b) any negative deviations are reported timely and (c) reasonable action is taken to control any adverse developments. The Authority's investment policy requires investment in instruments authorized by HUD Notice PIH 95-27. All investments at September 30, 2015 were held in certificates of deposit which carry no credit risk.
- D. Concentration of Credit Risk: The Authority's investment policy requires diversification of the overall portfolio to eliminate the risk of loss resulting from an over-concentration of assets in a specific maturity, a specific issuer and/or a specific class of securities.
- E. Foreign Currency Risk: Foreign currency risk is the risk that changes in exchange rates will adversely affect fair value of an investment or a deposit. All of the Authority's deposits and investments are denominated in United States currency.

At September 30, 2015, the carrying value of cash and certificates of deposit was \$1,655,201 and \$1,395,456, respectively. The bank balance of cash and certificates of deposit owned at September 30, 2015, was \$1,658,691 and \$1,395,456, respectively.

Housing Authority of the City of Charlestown
Notes to Financial Statements (Continued)
September 30, 2015

Note D - Capital Assets

The following is the detailed transactions of capital assets during the year ended September 30, 2015:

	Balance at 10/01/14	Additions	Disposals	Transfers	Balance at 09/30/15
Land	\$ 1,296,639	\$ -	\$ -	\$ -	\$ 1,296,639
Buildings	11,100,348	293,823	-	-	11,394,171
Furniture, equipment and machinery - dwellings	474,304	-	-	(112,409)	361,895
Furniture, equipment and machinery - administration	42,972	-	-	112,409	155,381
	12,914,263	293,823	-	-	13,208,086
Less: accumulated depreciation	(7,486,479)	(349,217)	-	-	(7,835,696)
Total	<u>\$ 5,427,784</u>	<u>\$ (55,394)</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,372,390</u>

Total depreciation expense for the year ended September 30, 2015 was \$349,217.

Note E - Restricted Net Position

In accordance with guidelines established by HUD, any housing assistance payment (HAP) budget authority provided to a housing authority in excess of actual program expenses for the same period must be maintained as restricted net position to be used only for future HAP payments incurred in the running of the Housing Choice Vouchers program. For the year ended September 30, 2015 the Authority's restricted net position was \$0. HUD-held HAP reserves as of September 30, 2015 totaled \$50,082, and is not reflected in these financial statements.

Note F - Noncurrent Liabilities

The activities of noncurrent liabilities are as follows:

	Balance 9/30/14	Additions	Adjustments/ Payments	Balance 9/30/15	Current Portion
Compensated absences	<u>\$ 133,747</u>	<u>\$ 16,027</u>	<u>\$ -</u>	<u>\$ 149,774</u>	<u>\$ 59,915</u>

Note G - Compensated Absences

Regular full and part-time employees receive sick leave and vacation leave each year based upon length of employment. The vacation and sick leave benefits accumulate and can be carried forward at capped amounts to successive years; vacation and sick leave is also paid to employees upon termination in good standing. Accordingly, at September 30, 2015, a liability of \$149,774 has been recorded for accrued compensated absences.

Housing Authority of the City of Charlestown
Notes to Financial Statements (Continued)
September 30, 2015

Note H - Retirement Plan

The Authority contributes to a simplified employee pension plan for all of the eligible employees in the amount of 13% of wages. All employees are eligible who are at least 21 years of age and have worked at least 3 of the preceding 5 years. Contributions to the SEPP IRA are fully vested with the employees when made. Pension expense for the year ended September 30, 2015, was \$37,764.

Note I - Income Taxes

The Authority has qualified with the Internal Revenue Service and the Indiana Department of Revenue as a tax-exempt organization for income tax purposes and, accordingly, there is no provision in the financial statements for federal or state income taxes.

Note J - Major Funding Source

The Authority is substantially funded by Federal awards. The funding is subject to federal government appropriations and potential funding reductions. Management does not anticipate any material change in funding.

Note K - Risk Management and Contingencies

The Authority is exposed to various risks of loss from torts, theft of, damages to, or destruction of assets, business interruption, errors or omissions, job related illnesses or injuries to employees, and natural disasters. The Authority has purchased commercial insurance to mitigate its exposure to such losses. The various insurance policies are subject to deductible amounts and maximum coverages. If the deductible and maximums are exceeded, this could cause the Authority to suffer losses if a loss is incurred from any such incidents. The ultimate outcome of such uninsured losses cannot presently be determined, and no provision for any liability that may result, if any, has been made in the financial statements.

The Authority has received several federal grants for specific purposes which are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to grantor agencies for expenditures disallowed under the terms of the grant. Based upon experience, management believes such disallowances, if any, will be immaterial.

Other Reports

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Board of Commissioners
Housing Authority of the City of Charlestown

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the City of Charlestown (the "Authority"), which comprise the statement of net position as of September 30, 2015, and the statements of revenues, expenses, and changes in net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 14, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards* (Continued)**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Jeffersonville, Indiana
June 14, 2016

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

To the Board of Commissioners
Housing Authority of the City of Charlestown

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Charlestown's (the "Authority") compliance with the types of compliance requirements described in the U. S. Office of Management and Budget (*OMB Compliance Supplement*) that could have a direct and material effect on each of the Authority's major federal programs for the year ended September 30, 2015. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of OMB Circular A-133 *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2015.

-22-

**Independent Auditor's Report on Compliance for Each Major Federal Program
and Report on Internal Control Over Compliance (Continued)**

Report on Internal Control over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Supplementary Information

**Housing Authority of the City of Charlestown
Schedule of Expenditures of Federal Awards
For the Year Ended September 30, 2015**

<u>Federal Grantor/Pass-Through Grantor/Program Title</u>	<u>Federal CFDA Number</u>	<u>Federal Expenditures</u>
U.S. Department of Housing and Urban Development:		
Public and Indian Housing	14.850	\$ 431,025
Section 8 Housing Choice Vouchers	14.871	230,246
Public Housing Capital Fund	14.872	<u>309,567</u>
Total Expenditures of Federal Awards		<u>\$ 970,838</u>

Basis of Presentation

The above schedule of expenditures of federal awards includes the federal grant activity of the Authority and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133 *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Independent Accountant's Report on Applying Agreed-Upon Procedure

To the Board of Commissioners
Housing Authority of the City of Charlestown

We have performed the procedure described in the second paragraph, which was agreed to by the Housing Authority of the City of Charlestown (the Authority) and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), solely to assist them in determining whether the electronic submission of certain information agrees with related hard copy documents included within the OMB Circular A-133 reporting package. The Authority is responsible for the accuracy and completeness of the electronic submission. This agreed-upon procedure engagement was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedure is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of electronically submitted information and hard copy documents as shown in the attached chart.

We were engaged to perform an audit in accordance with Title OMB Circular A-133 *Audits of States, Local Governments, and Non-Profit Organizations*, for the Authority as of and for the year ended September 30, 2015, and have issued our reports thereon dated June 14, 2016. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product of that audit. Further, our opinion on the fair presentation of the Housing Authority's Financial Data Schedule (FDS) dated June 14, 2016, was expressed in relation to the basic financial statements of the Authority taken as a whole.

A copy of the financial statement package required by OMB Circular A-133, which includes the auditor's reports, is available in its entirety from the Authority. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

This report is intended solely for the information and use of the Authority and the U.S. Department of Housing and Urban Development, REAC, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read 'M. C. Chilton, Muddly, LLP'.
