TO: THE OFFICIALS OF THE NORTH MIAMI COMMUNITY SCHOOLS, MIAMI COUNTY, INDIANA

This report is supplemental to our audit report of the North Miami Community Schools (School Corporation), for the period from July 1, 2014 to June 30, 2015. It has been provided as a separate report so that the reader may easily identify any Federal Findings and Audit Results and Comments that pertain to the School Corporation. It should be read in conjunction with our Financial Statement and Federal Single Audit Report of the School Corporation, which provides our opinions on the School Corporation's financial statement and federal program compliance. This report may be found at [www.in.gov/sboa/](http://www.in.gov/sboa/).

The Federal Findings, identified in the above referenced audit report, are included in this report and should be viewed in conjunction with the Audit Results and Comments as described below.

As authorized under Indiana Code 5-11-1, we performed procedures to determine compliance with applicable Indiana laws and uniform compliance guidelines established by the Indiana State Board of Accounts. The Audit Results and Comments contained herein describe the identified reportable instances of noncompliance found as a result of these procedures. Our tests were not designed to identify all instances of noncompliance; therefore, noncompliance may exist that is unidentified.

Any Corrective Action Plan for the Federal Findings, incorporated within this report, was not verified for accuracy.

NORTH MIAMI COMMUNITY SCHOOLS  
FEDERAL FINDINGS

**FINDING 2015-001 - PREPARATION OF THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

*Condition*

The School Corporation did not have a proper system of internal control in place to prevent, or detect and correct, errors on the Schedule of Expenditures of Federal Awards (SEFA). During the audit of the SEFA, there were the following errors:

1. Department of Agriculture federal expenditures were understated by \$203,878.
2. Commodities of \$32,321 for the National School Lunch Program were not included.
3. A state grant was incorrectly included overstating the SEFA by \$82,188.
4. Program names were not always correct.

Audit adjustments were proposed, accepted by the School Corporation, and made to the SEFA presented in this report.

*Criteria*

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets and all forms of information processing are necessary for proper internal control.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

OMB Circular A-133, Subpart C, section .300 states in part: "The auditee shall: . . . (d) Prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with section .310."

OMB Circular A-133, Subpart C, section .310(b) states:

"Schedule of expenditures of Federal awards. The auditee shall also prepare a schedule of expenditures of Federal awards for the period covered by the auditee's financial statements. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple award years, the auditee may list the amount of Federal awards expended for each award year separately. At a minimum, the schedule shall:

- (1) List individual Federal programs by Federal agency. For Federal programs included in a cluster of programs, list individual Federal programs within a cluster of programs. For R&D, total Federal awards expended shall be shown either by individual award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

NORTH MIAMI COMMUNITY SCHOOLS  
FEDERAL FINDINGS  
(Continued)

- (2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity shall be included.
- (3) Provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available. . . ."

*Cause*

Management had not established a system of internal control that would have ensured proper reporting of the SEFA.

*Effect*

Without a proper system of internal control in place that operates effectively, material misstatements of the SEFA could have remained undetected. The SEFA contained the errors identified in the *Condition*.

*Views of Responsible Officials*

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

***FINDING 2015-002 - FINANCIAL TRANSACTIONS AND REPORTING***

*Condition*

There were several deficiencies in the internal control system of the School Corporation related to financial transactions and reporting. The School Corporation had not separated incompatible activities related to receipts and disbursements, including vendor and payroll disbursements. These deficiencies constituted material weaknesses.

Lack of Segregation of Duties: The Treasurer or Deputy Treasurer independently received and recorded all receipts, prepared the deposit slip, and made the deposit for the School Corporation. The Treasurer also prepared the bank reconciliation. One employee also recorded all vendor and payroll disbursements. There was no segregation of duties.

*Criteria*

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets and all forms of information processing are necessary for proper internal control.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

NORTH MIAMI COMMUNITY SCHOOLS  
FEDERAL FINDINGS  
(Continued)

*Cause*

Management of the School Corporation had not established a proper system of internal control that would have ensured accuracy in financial transactions and reporting.

*Effect*

The failure to establish controls could have enabled material misstatements or irregularities to remain undetected.

*Views of Responsible Officials*

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

***FINDING 2015-003 - INTERNAL CONTROLS OVER TITLE I  
GRANTS TO LOCAL EDUCATIONAL AGENCIES***

Federal Agency: Department of Education

Federal Program: Title I Grants to Local Educational Agencies

CFDA Number: 84.010

Federal Award Numbers and Years (or Other Identifying Numbers): 14-5620, 15-5620

Pass-Through Entity: Indiana Department of Education

*Condition*

The School Corporation had not established an effective internal control system, which would have included, segregation of duties, related to the grant agreement and the Activities Allowed or Unallowed, Allowable Costs/Cost Principles, Cash Management, Period of Availability, Reporting, and Special Tests and Provisions - Comparability, Highly Qualified Teachers and Paraprofessionals, and Annual Report Card, High School Graduation Rate compliance requirements.

*Activities Allowed or Unallowed, Allowable Costs/Cost Principles, and Period of Availability*

The School Corporation had not designed or implemented adequate policies and procedures to ensure that payroll disbursements were for activities and costs that were allowed for the program and were within the period of availability.

*Cash Management and Reporting*

The School Corporation had not designed or implemented adequate policies and procedures to ensure there were controls to ensure that expenditures were made before reimbursement was requested or that the Reimbursement Forms and the Final Expenditure Reports were accurate prior to submission.

*Special Tests and Provisions - Comparability*

The School Corporation had not designed or implemented adequate policies and procedures to ensure there were controls to ensure that the Comparability Reports were accurate prior to submission.

NORTH MIAMI COMMUNITY SCHOOLS  
FEDERAL FINDINGS  
(Continued)

*Special Tests and Provisions - Highly Qualified Teachers and Paraprofessionals*

The School Corporation had not designed or implemented adequate policies and procedures to ensure that Teachers and Paraprofessionals were highly qualified.

*Special Tests and Provisions - Annual Report Card, High School Graduation Rate*

The School Corporation had not designed or implemented adequate policies and procedures to ensure that students were properly removed from the cohort.

*Context*

The lack of properly designed or implemented internal controls was systemic, occurring throughout the audit period.

*Criteria*

OMB Circular A-133, Subpart C, section .300 states in part:

"The auditee shall: . . . (b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs. . . ."

*Cause*

Management had not developed a system of internal controls that segregated key functions.

*Effect*

The failure to establish an effective internal control system would have placed the School Corporation at risk of noncompliance with the grant agreement and the compliance requirements. A lack of segregation of duties within an internal control system would have allowed noncompliance with compliance requirements and allowed the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the program.

*Questioned Costs*

There were no questioned costs identified.

*Recommendation*

We recommended that the School Corporation's management establish controls, including segregation of duties, related to the grant agreement and compliance requirements listed above.

*Views of Responsible Officials*

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

FEDERAL FINDINGS

*Recommendation*

We recommended that the School Corporation's management establish controls, including segregation of duties, related to the grant agreement and compliance requirements listed above and comply with the Eligibility compliance requirement.

NORTH MIAMI COMMUNITY SCHOOLS  
AUDIT RESULTS AND COMMENTS

**RECONCILIATION OF SUBSIDIARY LEDGER**

Reconcilements between the Prepaid Lunches fund control account and the subsidiary student account balances were not performed during the audit period.

Numerous errors went undetected. The Prepaid Lunches fund exceeded the student account balances by \$4,437 at June 30, 2015.

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance should agree. If the reconciled bank balance is less than the subsidiary or control ledgers, then the responsible official or employee may be held personally responsible for the amount needed to balance the fund. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

Subsidiary records by student should be routinely reconciled to the cash balance and at month end. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 3)

**CREDIT CARDS**

Credit card claims were not adequately itemized. Of 16 credit card claims tested, 6 were paid for meals that did not include the nature, names, or purpose of the meeting and 3 were paid that did not include a detailed receipt; they were paid based upon only the credit slip.

The State Board of Accounts will not take exception to the use of credit cards by a governmental unit provided the following criteria are observed: . . .

7. Payment should not be made on the basis of a statement or a credit card slip only. Procedures for payments should be no different than for any other claim. Supporting documents such as paid bills and receipts must be available. Additionally, any interest or penalty incurred due to late filing or furnishing of documentation by an officer or employee should be the responsibility of that officer or employee.

(Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

NORTH MIAMI COMMUNITY SCHOOLS  
AUDIT RESULTS AND COMMENTS  
(Continued)

All claims, invoices, receipts, and accounts payable vouchers regarding reimbursement for meals and expenses for individuals must have specific detailed information of the names of all individuals for which amounts are claimed, including the nature, name, and purpose of the business meeting, to enable the governing body to authorize payment. Payments which do not have proper itemization showing the business nature of the claim may be the personal obligation of the responsible official, employee or other person for whom the claim is made. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

**OFFICIAL BONDS**

The School Corporation obtained official bonds for the following positions: Treasurer \$100,000; Deputy Treasurer \$ 50,000; Food Service Director \$10,000; Head Cook \$10,000; and Child Care Coordinator \$10,000. New bonds were not issued each year and the bonds were not on file in the office of the County Recorder.

The State Board of Accounts is of the audit position a new bond should be obtained each year and continuation certificates should not be used in lieu of obtaining a new bond. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 8)

The State Board of Accounts is of the audit position bonds should be filed and recorded in the office of the county recorder. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 8)

**EDUCATIONAL FEES**

The School Corporation charged an educational fee. A written opinion was not provided by the School Corporation's attorney whether educational fees would violate the Indiana Constitution.

Indiana Code 20-26-4-1 concerning duties of the School Corporation Treasurer, states in part: "The treasurer is the official custodian of all funds of the school corporation and is responsible for the proper safeguarding and accounting for the funds. . . ." Therefore, all grant monies and properly authorized fees at an individual building should be transferred to the School Corporation Central Office on a timely and regular basis for receipting into the appropriate school corporation fund. The School Corporation Attorney should provide written guidance concerning whether fees are appropriate in regards to Constitutional provisions. (Accounting and Uniform Compliance Guidelines Manual for Extra-Curricular Accounts, Chapter 6)
