INDEPENDENT AUDITOR'S REPORT

TO: THE OFFICIALS OF THE CITY OF CROWN POINT, LAKE COUNTY, INDIANA

Report on the Financial Statement

We have audited the accompanying financial statement of the City of Crown Point (City), which comprises the financial position and results of operations for the year ended December 31, 2014, and the related notes to the financial statement as listed in the Table of Contents.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the financial reporting provisions of the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6). Management is responsible for and has determined that the regulatory basis of accounting, as established by the Indiana State Board of Accounts, is an acceptable basis of presentation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the City prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position and results of operations of the City for the year ended December 31, 2014.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the City for the year ended December 31, 2014, in accordance with the financial reporting provisions of the Indiana State Board of Accounts described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the City's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the *U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Other Information

Our audit was conducted for the purpose of forming an opinion on the City's financial statement. The Combining Schedule of Receipts, Disbursements, and Cash and Investment Balances - Regulatory Basis, Schedule of Payables and Receivables, Schedule of Leases and Debt, and Schedule of Capital Assets, as listed in the Table of Contents, are presented for additional analysis and are not required parts of the financial statement. They have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated July 7, 2016, on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

TO: THE OFFICIALS OF THE CITY OF CROWN POINT, LAKE COUNTY, INDIANA

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statement of the City of Crown Point (City), which comprises the financial position and results of operations for the year ended December 31, 2014, and the related notes to the financial statement, and have issued our report thereon dated July 7, 2016, wherein we noted the City followed accounting practices the Indiana State Board of Accounts prescribes rather than accounting principles generally accepted in the United States of America.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of the internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings and Questioned Costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings and Questioned Costs as item 2014-001 to be material weaknesses.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City of Crown Point's Response to Findings

The City's response to the findings identified in our audit is described in the accompanying Corrective Action Plan. The City's response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The City was established under the laws of the State of Indiana. The City operates under a Council-Mayor form of government and provides some or all of the following services: public safety (police and fire), highways and streets, health and social services, culture and recreation, public improvements, planning and zoning, general administrative services, water, wastewater, storm water, trash, and urban redevelopment and housing.

The accompanying financial statement presents the financial information for the City.

B. Basis of Accounting

The financial statement is reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America, in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

C. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

D. Receipts

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Taxes, which can include one or more of the following: property tax, certified shares (local option tax), property tax replacement credit (local option tax), county option income tax, wheel tax, innkeepers tax, food and beverage tax, county economic development income tax, boat and trailer excise tax, county adjusted gross income tax, and other taxes that are set by the City.

Licenses and permits, which include amounts received from businesses, occupations, or nonbusinesses that must be licensed before doing business within the government's jurisdiction, or permits levied according to the benefits presumably conferred by the permit. Examples of licenses and permits include the following: peddler licenses, dog tax licenses, auctioneer licenses, building and planning permits, demolition permits, electrical permits, sign permits, and gun permits.

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

Intergovernmental receipts, which include receipts from other governments in the form of operating grants, entitlements, or payments in lieu of taxes. Examples of these types of receipts include, but are not limited to, the following: federal grants, state grants, cigarette tax distributions received from the state, motor vehicle highway distributions received from the state, local road and street distributions received from the state, financial institution tax received from the state, auto excise surtax received from the state, commercial vehicle excise tax received from the state, major moves distributions received from the state, and riverboat receipts received from the county.

Charges for services, which can include, but are not limited to, the following: planning commission charges, building department charges, copies of public records, copy machine charges, accident report copies, gun permit applications, 911 telephone services, recycling fees, dog pound fees, emergency medical service fees, park rental fees, swimming pool receipts, cable TV receipts, ordinance violations, fines and fees, bond forfeitures, court costs, and court receipts.

Fines and forfeits, which include receipts derived from fines and penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations (fines), and for the neglect of official duty and monies derived from confiscating deposits held as performance guarantees (forfeitures).

Utility fees, which are comprised mostly of charges for current services.

Penalties, which include fees received for late payments.

Other receipts, which include amounts received from various sources including, but not limited to, the following: net proceeds from borrowings; interfund loan activity; transfers authorized by statute, ordinance, resolution, or court order; internal service receipts; and fiduciary receipts.

E. Disbursements

Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Personal services, which include outflows for salaries, wages, and related employee benefits provided for all persons employed. In those units where sick leave, vacation leave, overtime compensation, and other such benefits are appropriated separately, such payments would also be included.

Supplies, which include articles and commodities that are entirely consumed and materially altered when used and/or show rapid depreciation after use for a short period of time. Examples of supplies include office supplies, operating supplies, and repair and maintenance supplies.

Other services and charges, which include, but are not limited to, the following: professional services, communication and transportation, printing and advertising, insurance, utility services, repairs and maintenance, and rental charges.

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

Debt service - principal and interest, which includes fixed obligations resulting from financial transactions previously entered into by the City. It includes all expenditures for the reduction of the principal and interest of the City's general obligation indebtedness.

Capital outlay, which includes all outflows for land, infrastructure, buildings, improvements, and machinery and equipment having an appreciable and calculable period of usefulness.

Utility operating expenses, which include all outflows for operating the utilities.

Other disbursements, which include, but are not limited to, the following: interfund loan payments; loans made to other funds; internal service disbursements; and transfers out that are authorized by statute, ordinance, resolution, or court order.

F. Interfund Transfers

The City may, from time to time, transfer money from one fund to another. These transfers, if any, are included as a part of the receipts and disbursements of the affected funds and as a part of total receipts and disbursements. The transfers are used for cash flow purposes as provided by various statutory provisions.

G. Fund Accounting

Separate funds are established, maintained, and reported by the City. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the City. The money accounted for in a specific fund may only be available for use for certain, legally-restricted purposes. Additionally, some funds are used to account for assets held by the City in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and, therefore, the funds cannot be used for any expenditures of the unit itself.

Note 2. Budgets

The operating budget is initially prepared and approved at the local level. The fiscal officer of the City submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

Note 3. Property Taxes

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the City in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

Note 4. Deposits and Investments

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana, at year end, should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the City to invest in securities including, but not limited to, the following: federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 5. Risk Management

The City may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job-related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third-party. The establishment of a self-insurance fund allows the City to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

Note 6. Pension Plans

A. Public Employees' Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the City authority to contribute to the plan. The PERF retirement

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 526-1687

Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of INPRS.

B. 1925 Police Officers' Pension Plan

Plan Description

The 1925 Police Officers' Pension Plan is a single-employer defined benefit pension plan. The plan is administered by the local pension board as authorized by state statute (IC 36-8-6). The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The plan was established by the plan administrator, as provided by state statute. The plan administrator does not issue a publicly available financial report that includes financial statements and required supplementary information of the plan.

Funding Policy

The contribution requirements of plan members for the 1925 Police Officers' Pension Plan are established by state statute.

On Behalf Payments

The 1925 Police Officers' Pension Plan is funded by the State of Indiana through the Indiana Public Retirement System as provided under Indiana Code 5-10.3-11.

C. 1937 Firefighters' Pension Plan

Plan Description

The 1937 Firefighters' Pension Plan is a single-employer defined benefit pension plan. The plan is administered by the local pension board as authorized by state statute (IC 36-8-7). The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The plan was established by the plan administrator, as provided by state statute. The plan administrator does not issue a publicly available financial report that includes financial statements and required supplementary information of the plan.

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

Funding Policy

The contribution requirements of plan members for the 1937 Firefighters' Pension Plan are established by state statute.

On Behalf Payments

The 1937 Firefighters' Pension Plan is funded by the State of Indiana through the Indiana Public Retirement System as provided under Indiana Code 5-10.3-11.

D. 1977 Police Officers' and Firefighters' Pension and Disability Fund

Plan Description

The 1977 Police Officers' and Firefighters' Pension and Disability Fund is a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Retirement System (INPRS) for all police officers and firefighters hired after April 30, 1977.

State statute (IC 36-8-8) regulates the operations of the system, including benefits, vesting, and requirements for contributions by employers and by employees. Covered employees may retire at age 52 with 20 years of service. An employee with 20 years of service may leave service, but will not receive benefits until reaching age 52. The plan also provides for death and disability benefits.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 526-1687

Funding Policy

The contribution requirements of plan members and the City are established by the Board of Trustees of INPRS.

Note 7. Subsequent Events

The City's Board of Public Works and Safety approved to submit an application for the Wastewater State Revolving Fund (SRF) loan program for funding solutions as part of the long-term controlled plan at their May 24, 2014 meeting. The City was approved for and borrowed \$4,950,000 in loans in 2015 from the SRF program (\$200,000 was repaid on January 1, 2016) to keep in compliance with mandates set by the State. The project optimizes the existing treatment plant ability to treat through 1) replacement of the existing pressure filter tertiary filtration system (which is non-functional), 2) incorporation of a new sludge mixing system in the anaerobic digester, and 3) performance of structural repairs on a portion of the existing belt

CITY OF CROWN POINT
NOTES TO FINANCIAL STATEMENT
(Continued)

filter press building. This is a long-term control plan project to address the flow quality and capacity. Commonwealth Engineers, Inc. (Commonwealth) has worked with the City on projects to keep the City in compliance with the prescribed mandate from the State judicial order. Commonwealth will submit this project to SRF on the City's behalf to keep in compliance with mandates set by the state.

Note 8. Other Postemployment Benefits

The City provides medical benefits to eligible retirees and their spouses. These benefits pose a liability to the City for this year and in future years. Information regarding the benefits can be obtained by contacting the City.

OTHER INFORMATION - UNAUDITED

The City's Annual Financial Report information can be found on the Gateway website: <https://gateway.ifionline.org/>.

Differences may be noted between the financial information presented in the financial statement contained in this report and the financial information presented in the Annual Financial Report of the City which is referenced above. These differences, if any, are due to adjustments made to the financial information during the course of the audit. This is a common occurrence in any financial statement audit. The financial information presented in this report is audited information, and the accuracy of such information can be determined by reading the opinion given in the Independent Auditor's Report.

The other information presented was approved by management of the City. It is presented as intended by the City.

SUPPLEMENTAL AUDIT OF
FEDERAL AWARDS

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE

TO: THE OFFICIALS OF THE CITY OF CROWN POINT, LAKE COUNTY, INDIANA

Report on Compliance for Each Major Federal Program

We have audited the City of Crown Point's (City) compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014. The City's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major Federal Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
(Continued)

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying Schedule of Findings and Questioned Costs as items 2014-002 and 2014-003. Our opinion on each major federal program is not modified with respect to these matters.

The City's response to the noncompliance findings identified in our audit is described in the accompanying Corrective Action Plan. The City's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be material weaknesses.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying Schedule of Findings and Questioned Costs as items 2014-002, 2014-003, and 2014-004 to be material weaknesses.

The City's response to the internal control over compliance findings identified in our audit is described in the accompanying Corrective Action Plan. The City's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Paul D. Joyce, CPA
State Examiner

July 7, 2016

Total federal awards expended				\$ -	\$ 3,715,864

The accompanying notes are an integral part of the Schedule of Expenditures of Federal Awards.

CITY OF CROWN POINT
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal grant activity of the City under programs of the federal government for the year ended December 31, 2014. The information in the SEFA is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the SEFA presents only a select portion of the operations of the City, it is not intended to and does not present the financial position of the City.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the SEFA are reported on the cash basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-133, *Cost Principles for State, Local, and Indian Tribal Governments*, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowed or are limited as to reimbursement. When federal grants are received on a reimbursement basis, the federal awards are considered expended when the reimbursement is received.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Section I - Summary of Auditor's Results

Financial Statement:

Type of auditor's report issued:	Adverse as to GAAP; Unmodified as to Regulatory Basis
Internal control over financial reporting:	
Material weaknesses identified?	yes
Significant deficiencies identified?	none reported
Noncompliance material to financial statement noted?	no

Federal Awards:

Internal control over major programs:	
Material weaknesses identified?	yes
Significant deficiencies identified?	none reported
Type of auditor's report issued on compliance for major programs:	Unmodified
Any audit findings disclosed that are required to be reported in accordance with section .510(a) of OMB Circular A-133?	yes

Identification of Major Programs:

CFDA Number	Name of Federal Program or Cluster
95.001	High Intensity Drug Trafficking Areas Program
97.044	Assistance to Firefighters Grant

Dollar threshold used to distinguish between Type A and Type B programs: \$300,000

Auditee qualified as low-risk auditee?	no
--	----

Section II - Financial Statement Findings

FINDING 2014-001 - FINANCIAL TRANSACTIONS AND REPORTING

Condition

There were several deficiencies in the internal control system of the City related to financial transactions and reporting.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

1. Lack of Segregation of Duties: The City had not separated incompatible activities related to recording receipts in the accounting system. One individual recorded the receipts in the accounting system. Controls had not been implemented to verify the accuracy and allocation of the receipts recorded. The failure to establish these controls could have enabled material misstatements or irregularities to remain undetected. Control activities should be in place to reduce the risks of errors in financial reporting.
2. Vendor Disbursements: The Accounts Payable Vouchers (APV's) were entered into the computerized appropriation ledger and recorded in the appropriate fund. The Clerk-Treasurer's Office had a process to verify that the APV's were recorded properly; however, they failed to retain the documentation of that process.
3. Payroll: The Clerk-Treasurer's Office had a process to verify that payroll information was correctly entered in the ledger and properly allocated to the correct fund and department. However, they failed to retain the documentation of that process.
4. Monitoring of Controls: An evaluation of the City's system of internal control had not been conducted. The failure to monitor the internal control system placed the City at risk that controls may not be either designed properly or operating effectively to provide reasonable assurance that controls will prevent, or detect and correct, material misstatements in a timely manner. Additionally, the City had no process to identify or communicate corrective actions to improve controls. Effective internal controls, over financial reporting, require the City to monitor and assess the quality of the system of internal control.

Criteria

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets, and all forms of information processing are necessary for proper internal control.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

Cause

Management of the City had not established a proper system of internal control.

Effect

The failure to establish controls could have enabled material misstatements or irregularities to remain undetected. The failure to monitor the internal control system placed the City at risk that controls may not be either designed properly or operating effectively to provide reasonable assurance that controls could have prevented, or detected and corrected, material misstatements in a timely manner.

Control activities should be in place to reduce the risks of errors in financial reporting.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

Section III - Federal Award Findings and Questioned Costs

FINDING 2014-002 - CASH MANAGEMENT

Federal Agency: Department of Homeland Security
Federal Program: Assistance to Firefighters Grant
CFDA Number: 97.044
Federal Award Number and Years (or Other Identifying Number): FY 2013

Condition

An effective internal control system, which would have included segregation of duties, was not in place at the City in order to ensure compliance with requirements related to the grant agreement and the Cash Management compliance requirement.

The City received grant funds in advance; but had no controls in place to ensure compliance with Cash Management requirements. One person prepared and submitted the request for funds. The City did not comply with the Cash Management requirements of the program; they did not minimize the time elapsing between the transfer of funds and disbursement of funds.

Context

There was only one expenditure of grant funds during the audit period. The City received the advance grant payment on August 29, 2014, but did not disburse the funds until November 3. Thus, the advance was received before an immediate need arose.

Criteria

OMB Circular A-133, Subpart C, section .300 states in part:

"The auditee shall: . . . (b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs. . . ."

The City accepted and agreed to abide by the Agreement Articles. Article I - Administrative Requirements states in part:

"The administrative requirements that apply to most DHS award recipients through a grant or cooperative agreement arise from two sources: - Office of Management and Budget (OMB) Circular A-102, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments (also known as the 'A-102 Common rule'), found under FEMA regulations at Title 44, Code of Federal Regulations (CFR) Part 13, 'Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.' . . ."

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

44 CFR 13.21 Payment states in part:

". . . (b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee. . . ."

Per the Grant Approval Letter: "Remember, you should request funds when you have an immediate cash need."

Cause

Management did not develop a system of internal controls that segregated key functions.

Effect

The failure to establish an effective internal control system enabled material noncompliance with the grant agreement and the compliance requirement. A lack of segregation of duties within an internal control system could have also allowed noncompliance with the compliance requirement and allowed the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the program.

Questioned Costs

There were no questioned costs identified.

Recommendation

We recommended that the City's management establish controls to ensure compliance and comply with the Cash Management requirements of the program.

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

FINDING 2014-003 - PROCUREMENT AND SUSPENSION AND DEBARMENT

Federal Agency: Department of Homeland Security
Federal Program: Assistance to Firefighters Grant
CFDA Number: 97.044
Federal Award Number and Year (or Other Identifying Number): FY 2013

Condition

An effective internal control system was not in place at the City in order to ensure compliance with requirements related to the grant agreement and the Procurement and Suspension and Debarment compliance requirement.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

The City used a vendor and contract amount which was approved for another governmental entity in accordance with Indiana Code 36-1-7-12(c). However, the City did not establish effective controls to ensure that the other governmental entity's referenced written contract complied with state purchasing laws.

The City did not have policies in place to comply with Suspension and Debarment requirements. They did not verify that the vendor used was not suspended or debarred from participation in federal programs.

Context

There was only one \$409,205 expenditure of grant funds during the audit period. This purchase required the City to verify that the vendor was not suspended or debarred from participation in federal programs; they did not.

Criteria

OMB Circular A-133, Subpart C, section .300 states in part:

"The auditee shall: . . . (b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs. . . ."

2 CFR 180.300 states:

"When you enter into a covered transaction with another person at the next lower tier, you must verify that the person with whom you intend to do business is not excluded or disqualified. You do this by:

- (a) Checking SAM Exclusions; or
- (b) Collecting a certification from that person; or
- (c) Adding a clause or condition to the covered transaction with that person."

Cause

Management had not developed a system of internal controls that segregated key functions or ensured compliance with the Procurement and Suspension and Debarment requirements.

Effect

The failure to establish an effective internal control system enabled material noncompliance with the grant agreement and the compliance requirement. A lack of segregation of duties within an internal control system could have also allowed noncompliance with the compliance requirement and allowed the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the program.

Questioned Costs

There were no questioned costs identified.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Recommendation

We recommended that the City's management establish controls to ensure compliance and comply with the Procurement and Suspension and Debarment requirements of the program.

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

FINDING 2014-004 - ASSISTANCE TO FIREFIGHTERS GRANT

Federal Agency: Department of Homeland Security
Federal Program: Assistance to Firefighters Grant
CFDA Number: 97.044
Federal Award Number and Year (or Other Identifying Number): FY 2013

Condition

An effective internal control system, which would have included segregation of duties, was not in place at the City in order to ensure compliance with requirements related to the grant agreement and the Matching, Level of Effort - Maintenance of Effort, Period of Availability, and Reporting compliance requirements.

Matching

The City did not have effective controls to ensure compliance with the 10 percent Matching requirement of the program.

Level of Effort - Maintenance of Effort

Although the City met the Maintenance of Effort requirements, they did not have controls in place to ensure that the requirements were always met nor were they aware of the possibility of filing a waiver of the requirements.

Period of Availability

The City did not have effective controls in place to ensure that the disbursement of program funds was within the period of availability.

Reporting

The City did not have effective controls in place to ensure that the required reports were submitted or that they were accurate.

Context

The issues noted were systemic problems during the whole grant period. We tested everything at 100 percent for the Assistance to Firefighters Grant.

CITY OF CROWN POINT
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Criteria

OMB Circular A-133, Subpart C, section .300 states in part:

"The auditee shall: . . . (b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs. . . ."

Cause

Management had not developed a system of internal controls that segregated key functions.

Effect

The failure to establish an effective internal control system placed the City at risk of noncompliance with the grant agreement and the compliance requirements. A lack of segregation of duties within an internal control system could have also allowed noncompliance with the compliance requirements and allowed the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the program.

Questioned Costs

There were no questioned costs identified.

Recommendation

We recommended that the City's management establish controls, including segregation of duties, related to the grant agreement and compliance requirements listed above.

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

Auditor's Response

The Corrective Action Plan includes language about noncompliance which is inconsistent with the finding.

AUDITEE-PREPARED DOCUMENT

The subsequent document was provided by management of the City. The document is presented as intended by the City.

Contact Person Responsible for Corrective Action: Kristie L. Dressel, Clerk-Treasurer
Contact Phone Number: 219-662-3235 ext. 401

Views of Responsible Official "We concur with the finding"

Description of Corrective Action Plan:

Lack of segregation of duties recovered.

1. Correction Plan – Dual control have been put into place. Example: Daily Receipts – Billing Department provide a Daily Summary sheet showing the receipt activities. It's then provided to the Bookkeeping Department. They enter the receipt amounts into the Journals. That person is verifying while entering. Afterwards another Bookkeeper reviews.
2. Vendor Disbursements – (Retainage) of the balancing documentation has been put in place.
3. Payroll – We will retain these documents with two reviewing and both initialing for Internal Controls.
4. Future monitoring of Internal Controls – Monthly checklist is soon to be created to monitor and verify all Internal Controls are in place by each employee and department.
In regards to payroll, accounts payable and revenue will be monitored on a monthly basis to properly identify allocations are correct.

Views of Responsible Official: **Acknowledged**

Description of Corrective Action Plan: **All future Federal Grants will segregate duties to include provisions for proper oversight, reviews, and approvals.**

Request for funds will be reviewed and initiated by a Chief Officer that was not part of the grant application committee. All funding requests will be reviewed by the Clerk Treasurer for compliance with grant guidelines.

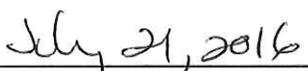

We will work with the Mayor and the City Council to develop a more expedient method of paying claims when dealing with Federal Grants.

Current internal controls and procedures require that funds are in place prior to the issuance of a Purchase Order. The products and/or services cannot be ordered without a purchase order signed by the Department Head, the Clerk Treasurer, and the Mayor for purchases exceeding \$1,000. Invoices for products and/or services cannot be paid to the vendor until all items are received and the claim is reviewed by the City Council and approved at the City Council Meeting on the 1st Monday of the month.

These reviews and safeguards are the cause of the cited condition. The advance grant payment was made on August 29, 2014. A purchase order was written and approved by the Mayor and the Clerk Treasurer upon funding. The merchandise and invoice was received on October 10, 2014. The claim was processed and reviewed by the City Council on November 3, 2014 with immediate payment.

Findings – 2014-004

Contact Person Responsible for Corrective Action: **Greg Delor**

Contact Phone Number: **(219) 662-3248**

Views of Responsible Official: **Acknowledged / Disagree**

Description of Corrective Action Plan: **All future Federal Grants will segregate duties to include provisions for proper oversight, reviews, and approvals.**

Request for funds will be reviewed and initiated by a Chief Officer that was not part of the grant application committee. All funding requests will be reviewed by the Clerk Treasurer for compliance with grant guidelines.

In addition to, the City is in disagreement with the subsection of the finding pertaining to Maintenance of Effort. Per Section 797(b) of the Public Health Service Act, the Maintenance of Effort (“MOE”) provision requires federal grant recipients “to maintain non-federal funding for activities described in their application at a level which is not less than expenditures for such activities during the fiscal year prior to receiving the grant or cooperative agreement.” In most cases, federal grantees are required to maintain at least 90 percent of their current non-federal funds during the grant period.

The City has maintained an amount exceeding 90 percent of the current non-federal funds during the grant period. Thusly, we are already in compliance with Section 797(b).
