## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Boone County Convention and Visitors Bureau, Inc.:

### *Report on the Financial Statements*

We have audited the accompanying financial statements of Boone County Convention and Visitors Bureau, Inc. (the Organization) which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boone County Convention and Visitors Bureau, Inc. as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

NATURE OF ACTIVITIES

The Boone County Convention and Visitors Bureau, Inc. (the "Organization") was formed with the purpose of advancing tourism and economic growth of Boone County, Indiana. The Organization assists visitors by providing services and information. It also provides grants to certain other groups, clubs and festivals in Boone County with the purpose of furthering the missions of both the Organization itself and the recipients of the grants. Grants are recorded as festival expenses, a component of program expenses. The Organization's main source of revenue is Innkeepers' Tax from the Boone County Treasurer.

BASIS OF ACCOUNTING AND USE OF ESTIMATES

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For purposes of the statements of cash flows, the Organization considers all highly liquid investment instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at December 31, 2015 or 2014.

INNKEEPERS' TAX AND INVESTMENT INCOME EARNED RECEIVABLE POLICIES

Innkeepers' tax held by Boone County Treasurer and investment income earned held by Boone County Treasurer are uncollateralized obligations due from a Boone County government agency on demand by the Organization, including interest earned thereon. Each is stated at the amount collected or earned by the agency less withdrawals by the Organization.

Management has assessed the entire accounts receivable balance as collectible and has accordingly recorded no valuation allowance.

NET ASSETS

As required by Accounting Standards for Not-for-Profit Entities Presentation of Financial Statements, the Organization is required to report information regarding assets, liabilities, net assets, revenue, expenses, and other changes in net assets according to class. The Organization has assessed all net assets as unrestricted, since they are the result of revenue and expenses from the regular operations of the Organization, which are at the discretion of the Organization's management and Board of Directors.
