SUBJECT: Common School Loan Advancement for Technology Programs

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from September 14, 2016 through October 7, 2016. We request consideration of one remaining application for advancement for the technology program.

The loan falls outside of the lowest 40% of assessed valuation per average daily membership (ADM) but because additional dollars were available, the Department is recommending approval of the request even though the assessed value to ADM falls outside of forty percent.

Project Descriptions:

Westview School Corporation – The project includes the following:

- 330 Chromebooks
- 10 iPads
- 24 Sony Projectors
- 130 Windows Computers
- 839 Microsoft Office upgrades for students and teachers
