

## **Evolution of the A-F Report Card for SBoE Meeting 3/6/12**

Indiana Department of Education staff established a working group of school and community representatives to help guide the visual appearance of the new A-F report card that will be utilized later this year when the 2011-12 grades are published.

This is an on-going project and the latest version, Report Card 2.0, is simply the next iteration.
