

RICHMOND MUNICIPAL ELECTION

2011 PRIMARY ELECTION

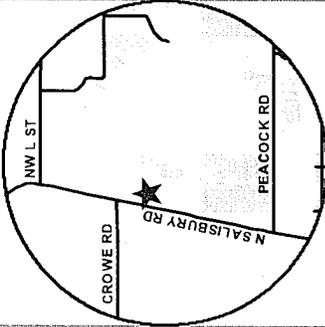

VOTE CENTER LOCATIONS

<http://co.wayne.in.us>

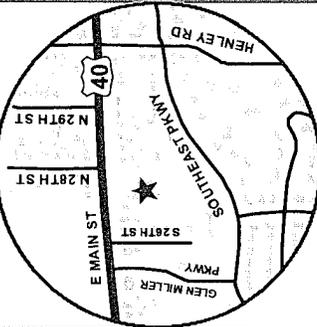

Richmond Corp Limits

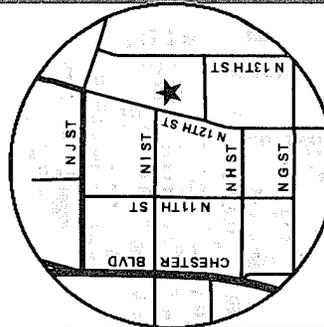

1
Kuhlman Center
 861 N. Salisbury Rd
 Richmond, IN 47374

2
First English Lutheran Church
 2727 National Rd East
 Richmond, IN 47374

3
Townsend Community Center
 855 N. 12th Street
 Richmond, IN 47374

VOTER STATISTICS AND PRECINCTS

Wayne Township, located predominately in the city of Richmond, has 35 precincts. However, five of the thirty-five precincts do not vote in the City of Richmond elections. The Richmond Municipal Elections will include precincts Center 6, and Wayne 4 through Wayne 33. The ballot for each of those precincts will be available at any of the vote centers.

What this means to our Vote Center plan is that thirty-one precincts would normally cast their ballot for the Richmond city election. These voters will now have a choice to vote at any of the four designated vote centers. The remaining precincts will not hold an election. The following page will provide you with the number of active and inactive voters per precinct.

Please refer to Section 3, page 1 for a complete listing of vote center locations for the Richmond Municipal Primary Election.

Recent meetings with Town Clerk/Treasurers have indicated that they intend to conduct their own elections, and will submit a copy of the town resolution to the County Clerk. The County Clerk will loan an iVotronic voting machine to each town in order to meet HAVA compliance. The towns in Wayne County do not select their candidates by a Primary Election.

At the conclusion of the November 2011 election, the towns will submit their results as required to the County Clerk. The County Clerk's office staff will record the voter history for that election into SVRS.

**VOTER STATUS COUNTS
PRECINCTS CENTER 6, WAYNE 4 THROUGH WAYNE 33**

Election Year	Active Voters	InActive Voters	Total Voters
2007	27,003	805	27,808
2011	18,371	3,600	21,971

**2011 data compiled as of 3/4/2011 SVRS reports*

The Plan will include a total of three vote centers. The following pages of documentation provides the name, location, and maps of each proposed vote center. As well as flow charts and building layout.

RICHMOND MUNICIPAL ELECTION STATS

Election Year	Registered Voters	Ballots Cast	Total Voter Turnout
2003-Primary	27,716	2,990	11.19%
2007-Primary	27,290	4,378	16.04%

VOTE CENTER FLOW CHART

The following chart indicates how a voter will move through the vote center from the entrance to the exit.

- Greeter – each voter will be met at the entrance by a greeter. The greeter will ask the voter if they have their photo ID and their vote center card that was mailed to them.
- Clerk – The clerk will scan or type the voter name to view poll book data. Once verified, the voter will sign the card. The voter is instructed to proceed to the Judges lane. The clerk will document any necessary information into the ePollbook as required by statute.
- Judge – The judge will receive both the card and ABS form (when applicable), and proceed to the iVotronic. The Judge will select the appropriate ballot and verify it with the voter.

POLLING PLACE AND ACCESSIBILITY

After much consideration and planning, the following locations have been chosen as Vote Centers for the 2011 elections. Should any unforeseen situations necessitate change, "The Plan" would be amended according to IC 3-11-18-19.

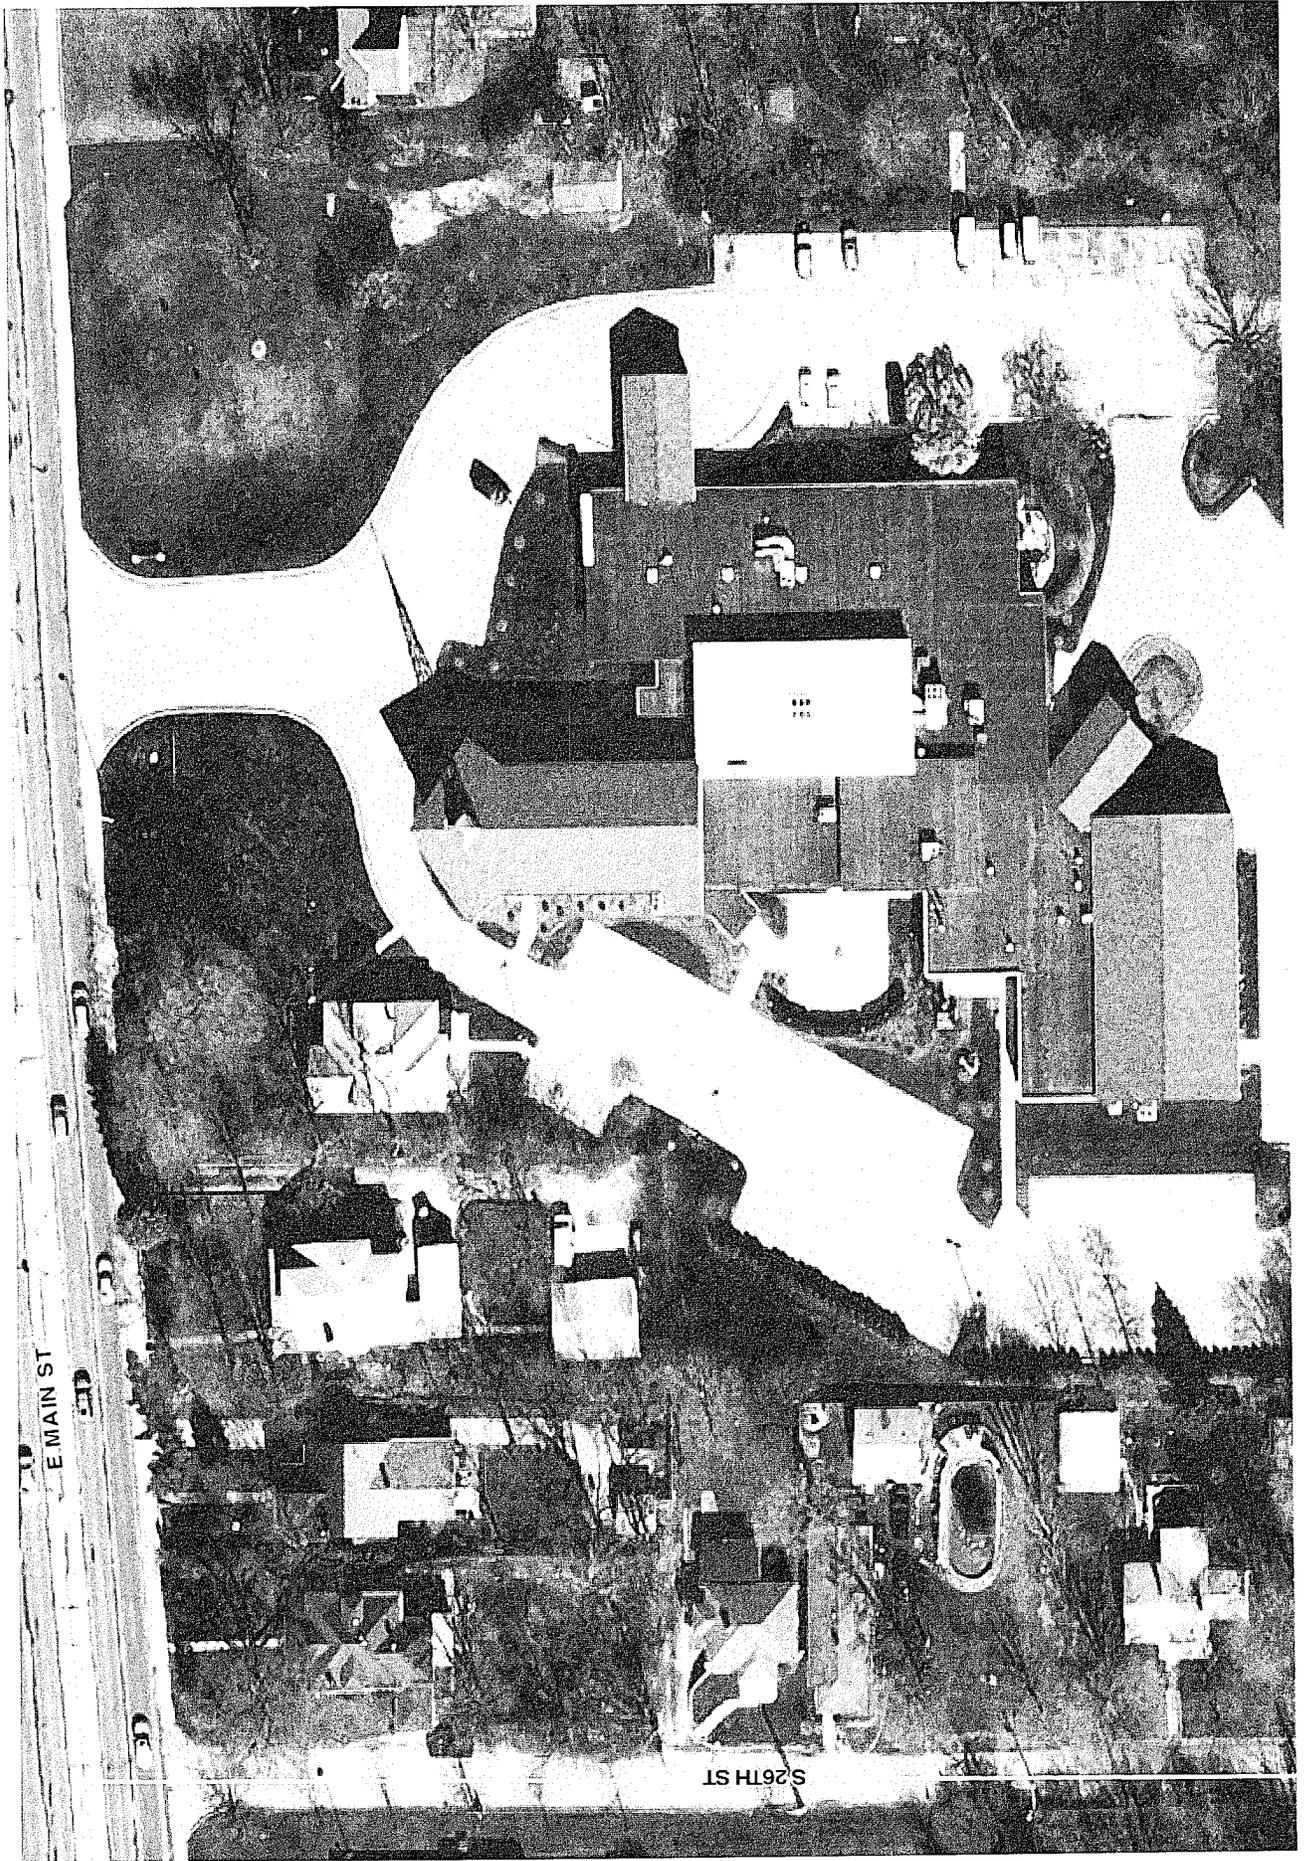

1. Kuhlman Center
861 N. Salisbury Rd.
Richmond, IN 47374
2. Townsend Community Center
855 N. 12th St.
Richmond, IN 47374
3. First English Lutheran Church
2727 National Rd East
Richmond, IN 47374

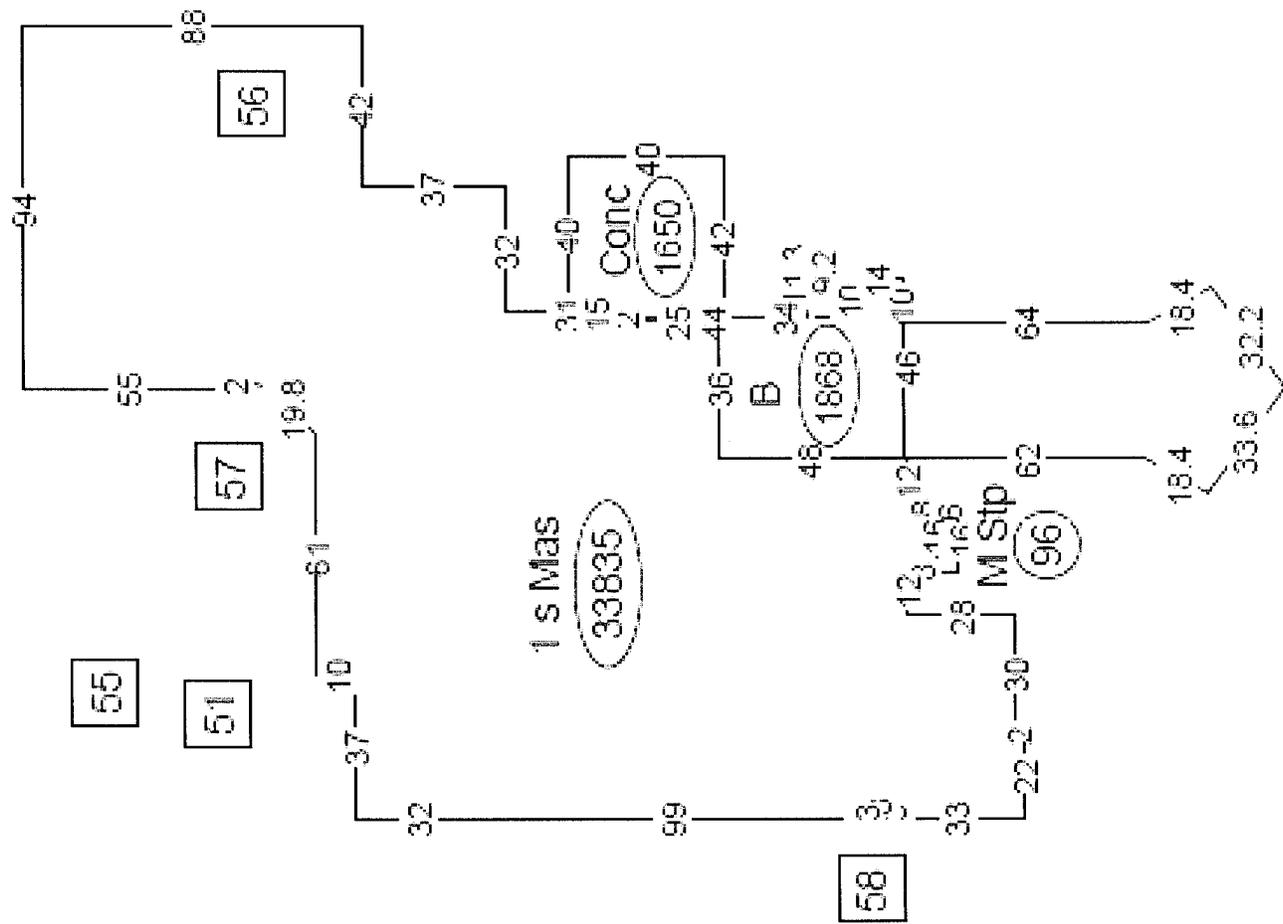

These facilities have been reviewed by the Wayne County Hava Committee in 2006 and were found to meet all State (IC 3-11-8) and Department of Justice requirements.

All facilities were toured with Joe McLain on July 24, 2006 and viewed to have ample parking with numerous handicap spaces clearly marked. Easy access into the buildings was also observed. However, signage will be in place to clearly mark these locations for the voters and/or their drivers.

Telephone: 765-962-5773
Fax: 765-962-4003

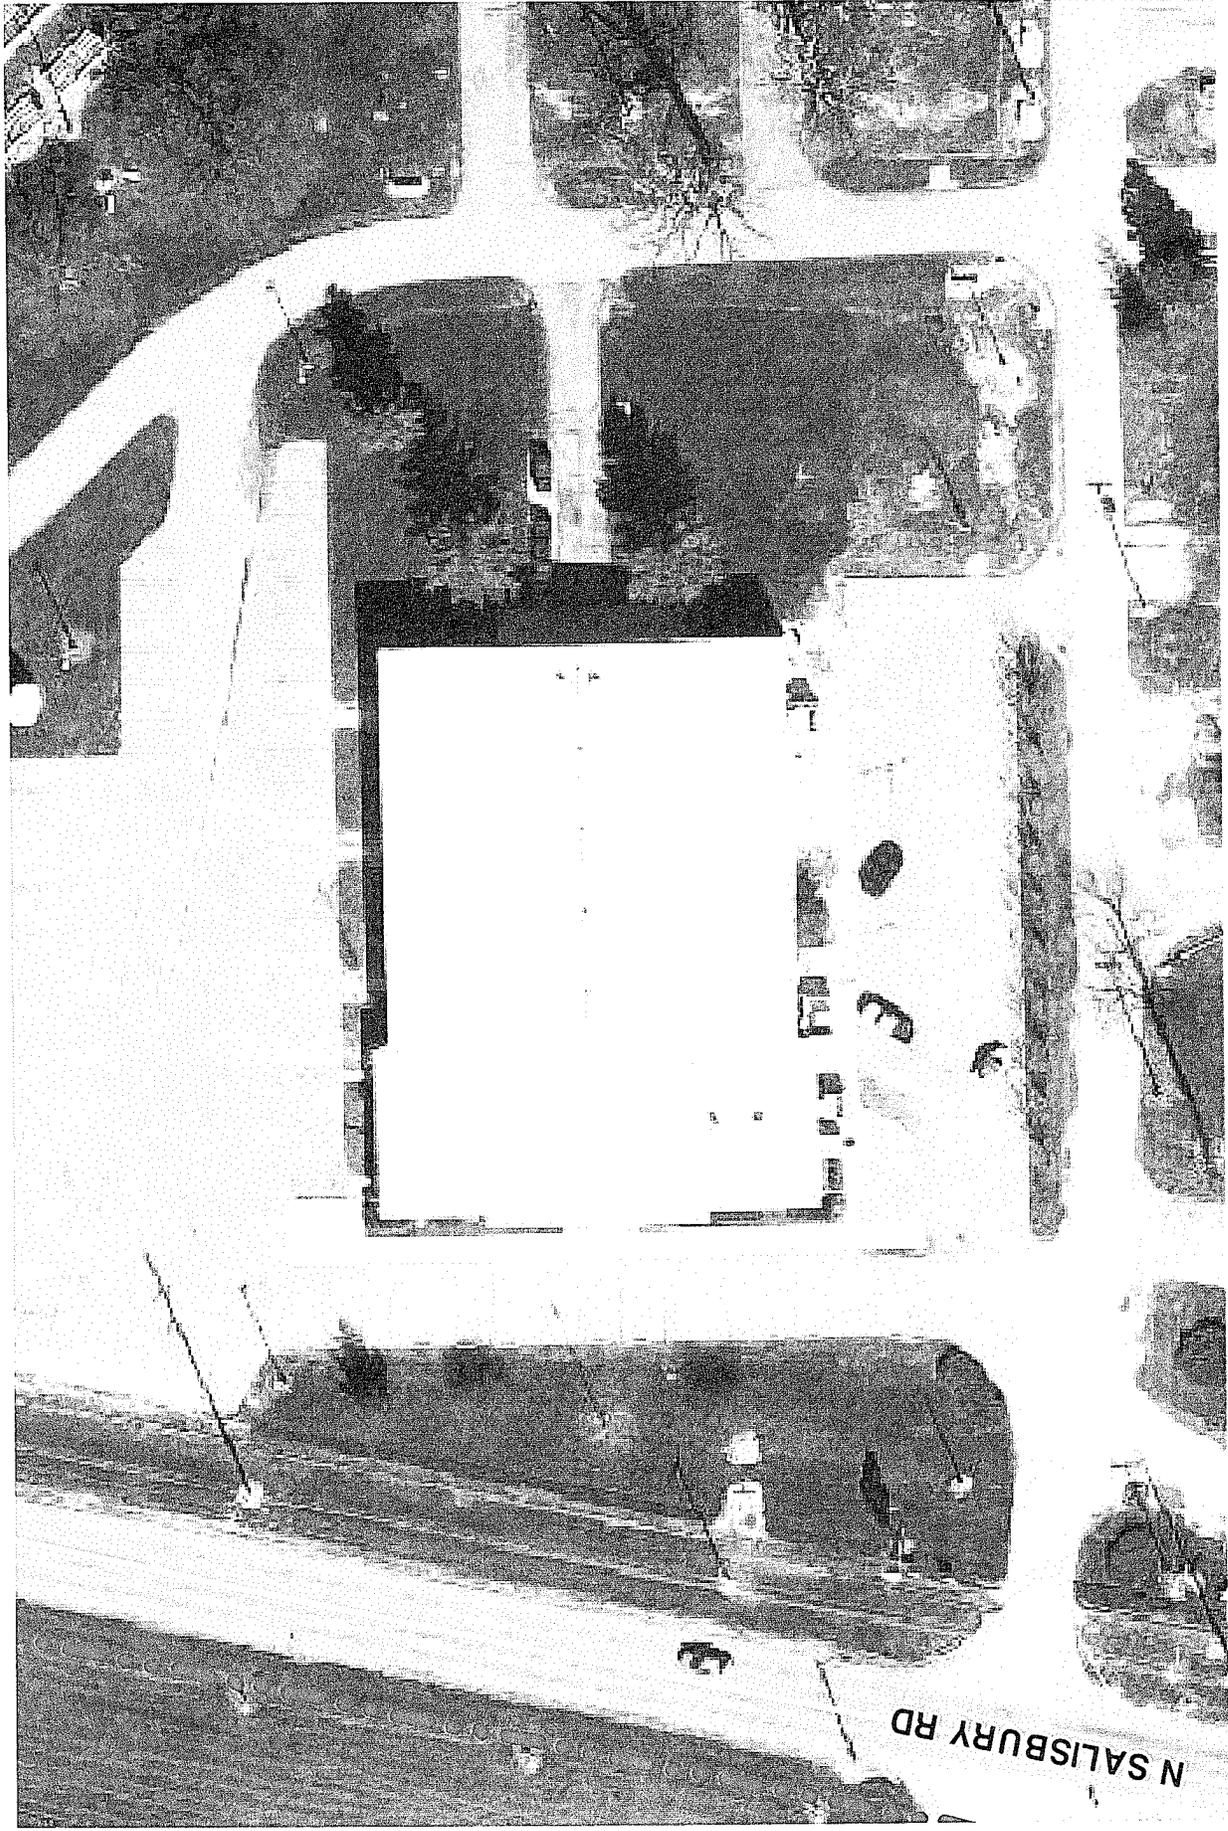

First English Lutheran Church
2727 National Road E.
Richmond, IN 47374

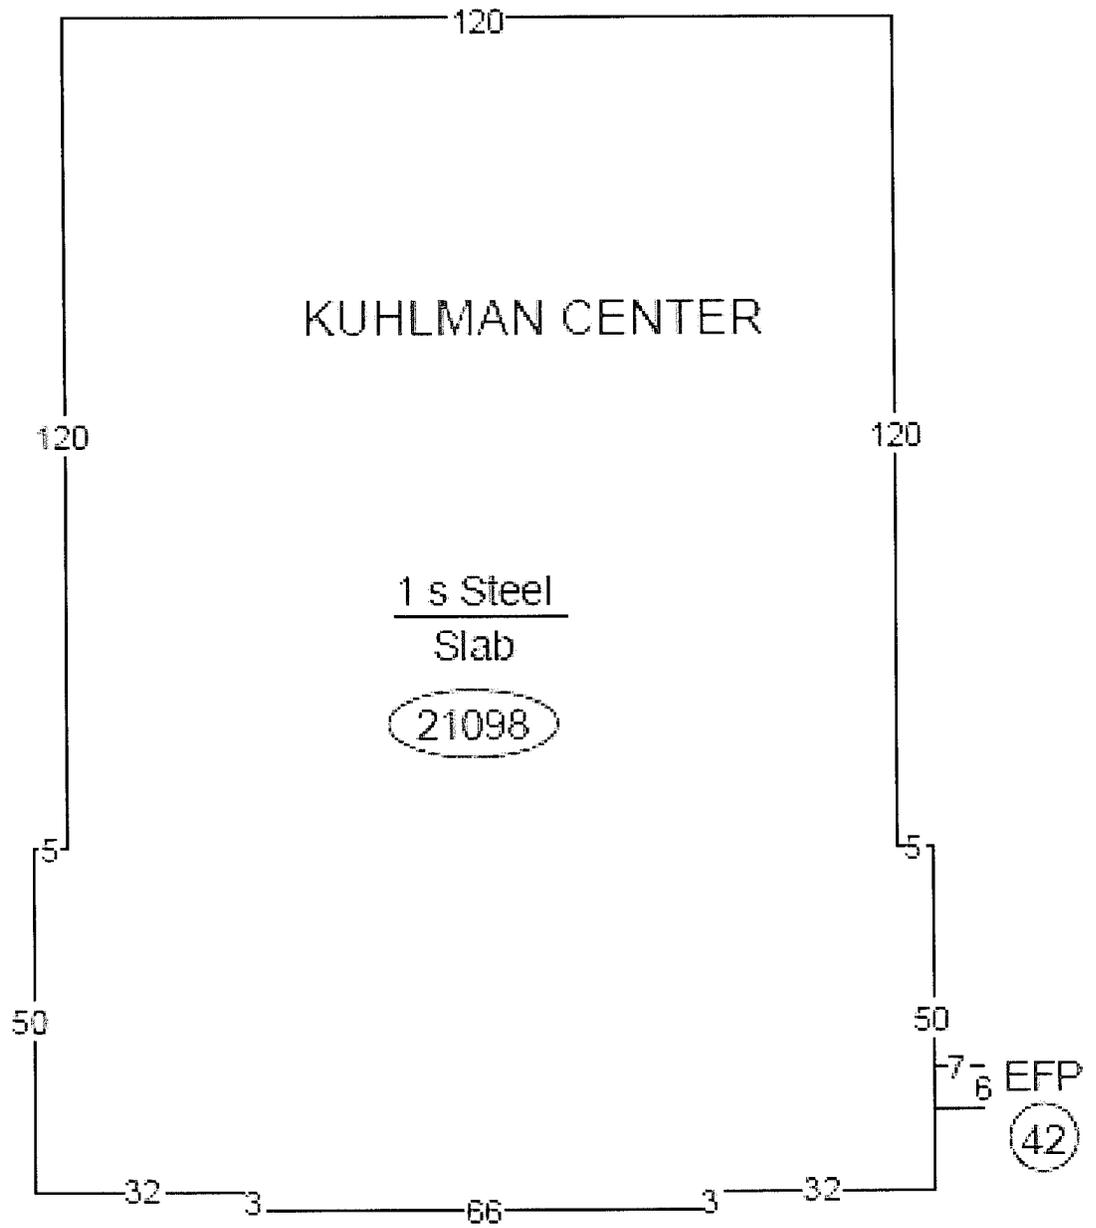

Telephone: 765-935-6291
Fax: 765-935-3464

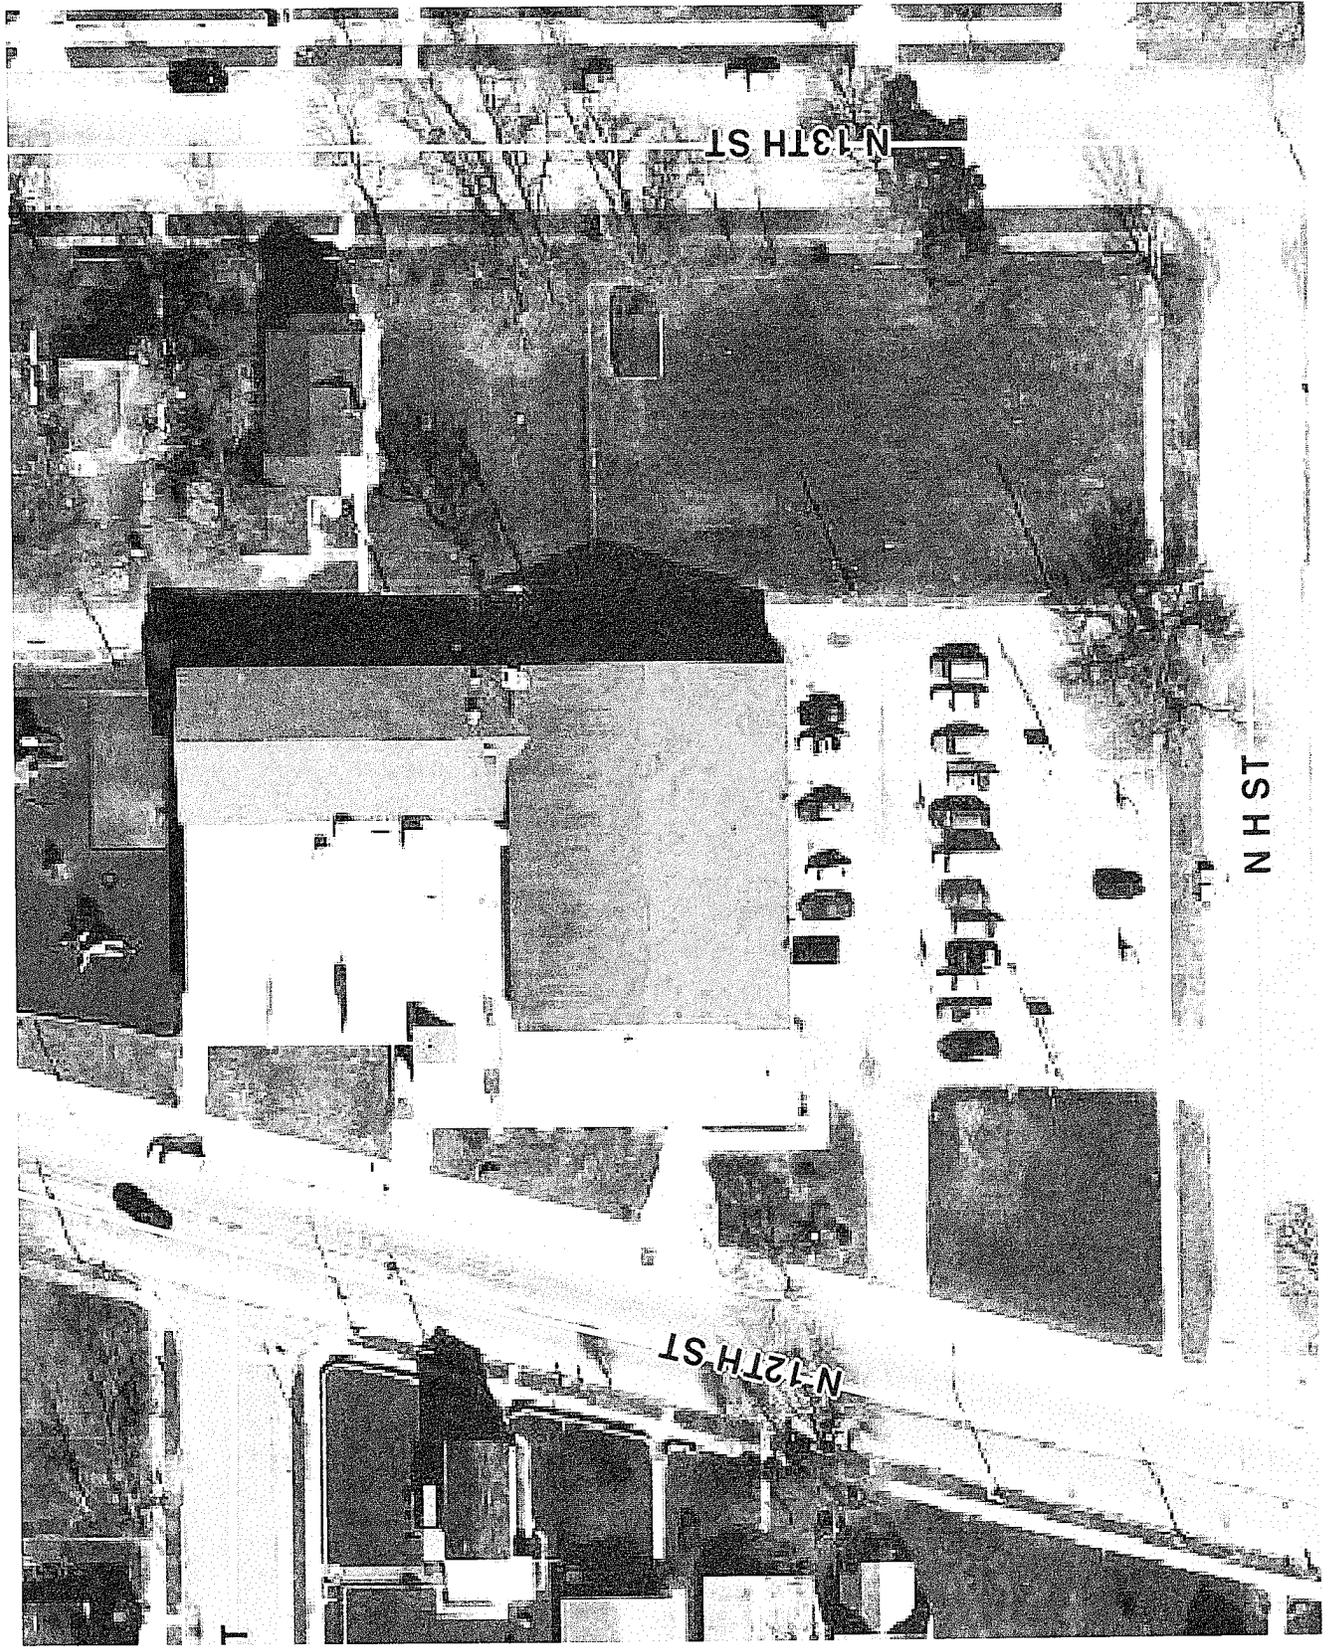

Kuhlman Center
861 N. Salisbury Road
Richmond, IN 47374

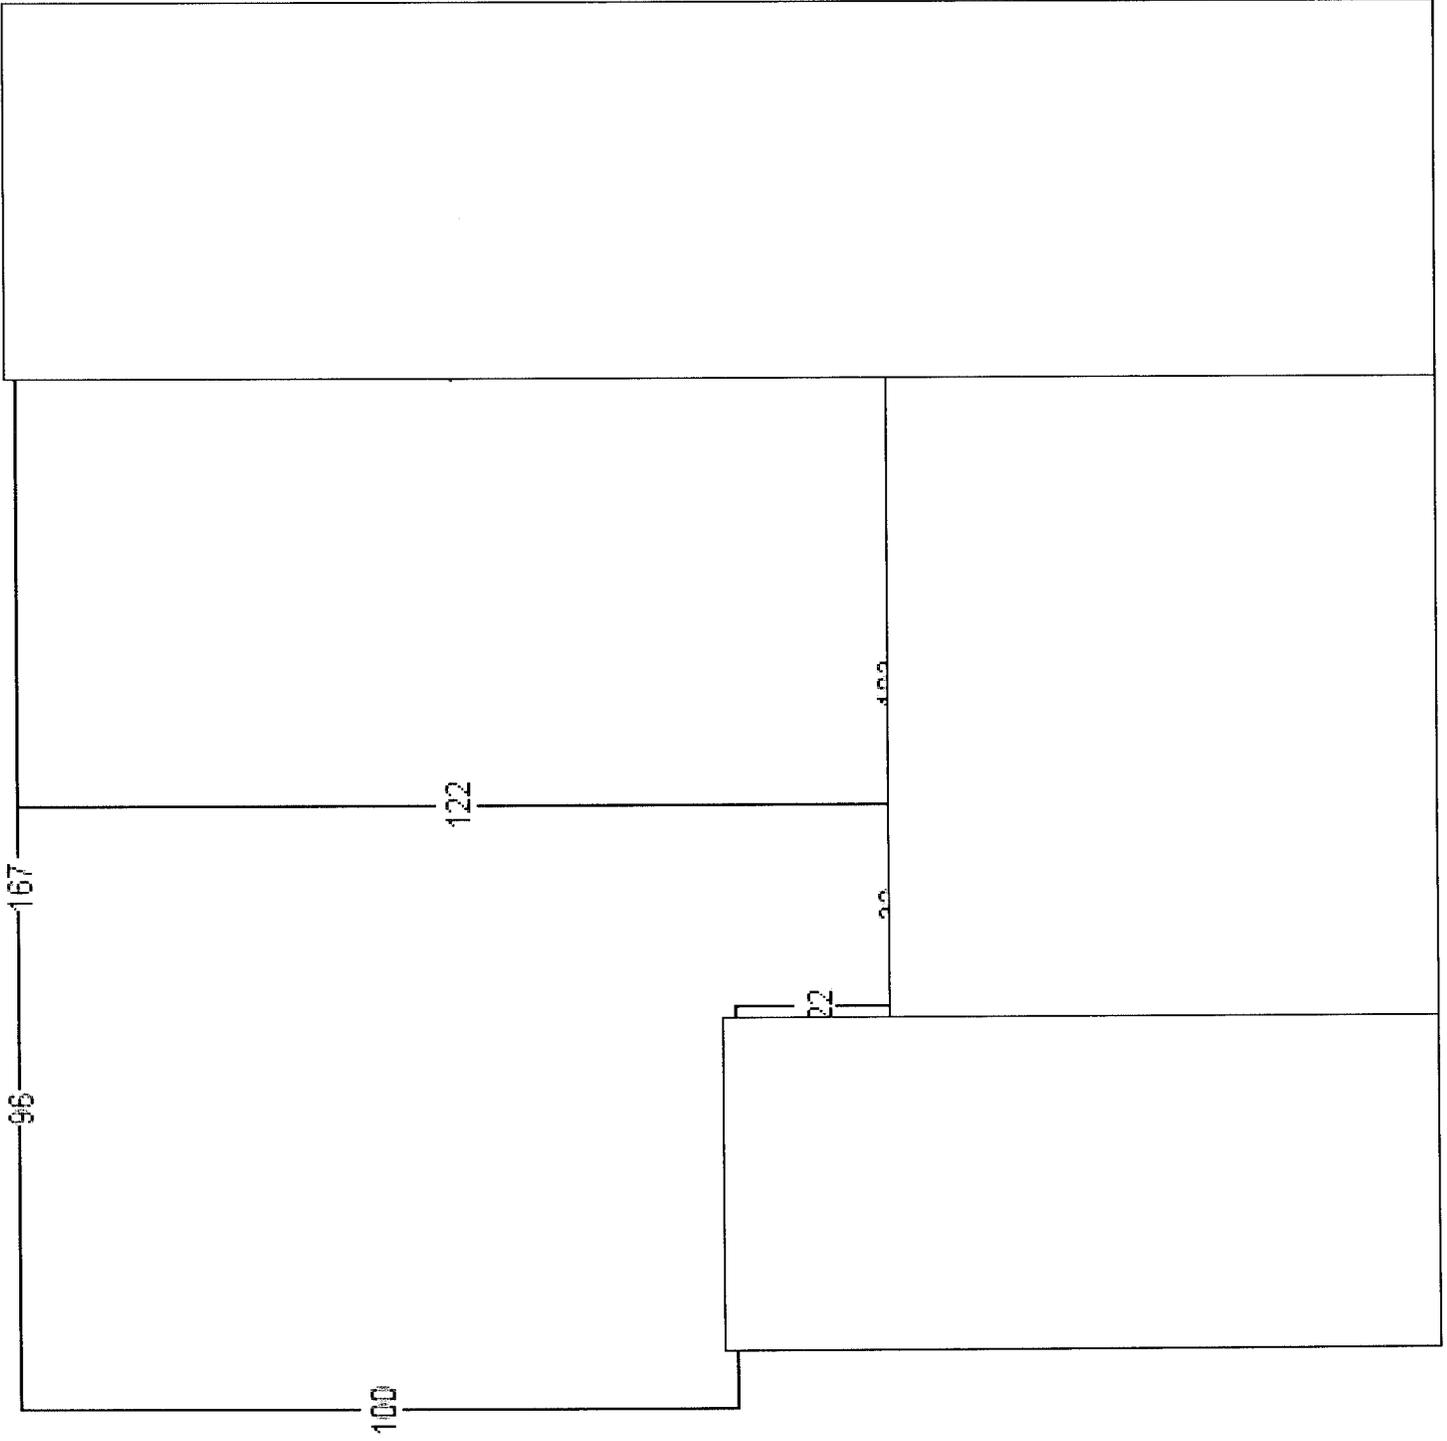

Telephone: 765-965-5800
Fax: 765-965-5802

Townsend Center
855 No. 12th Street
Richmond, IN 47374

Satellite Absentee Voting

Wayne County will continue to utilize selected vote centers for satellite absentee voting.

For the 2011 Richmond Municipal Elections:

April 25, 2011 through April 29, 2011 10:00 a.m. – 7:00 p.m.

*Kuhlman Center
861 N. Salisbury Rd.
Richmond, IN 47374

First English Lutheran Church
2727 National Rd. East
Richmond, IN 47374

***Additional hours at Kuhlman Center**

Saturday, April 23, 2011 – 10:00 a.m. – 3:00 p.m.

Saturday, April 30, 2011 - 10:00 a.m. - 3:00 p.m.

TECHNOLOGY

Electronic poll list

Wayne County will continue to utilize the ePollbook by Quest.

As in 2007, the plan will be as follows:

- A postcard will be mailed to all active voters in Wayne County.
- The voter is instructed to bring the card to the vote center when voting. At that time the card will be scanned, which will pull the voter information up in the ePollbook. Once information is verified, the voter will sign the card.
- Voter's arriving without a card will be issued a form by the greeter to complete and give to the clerk in place of the card.
- The ePollbook will require two passwords (one democrat-one republican) in order to access the program. New passwords will be issued and required for login each day.

Note: This data will be checked and verified at the voter registration office each day after the vote center closes.

Hardware, Firmware, and Software

1. Five PC's will be sent to each vote center. Each will have a minimum of the following:
 - a. Pentium class with windows 2000 or XP
 - b. 512 mb memory
 - c. 10 gb hard drive
 - d. Network/Ethernet card
2. Five barcode readers will be sent to each voter center.
3. Additional PC's will be available as well as technology personnel to assist any facility with technical problems with equipment.

Security

1. A single database that sits behind a firewall and houses the ePollbook data.
2. A single secure web server hosted by Quest sits in front of the firewall to allow access from the PC. The only access to the database is through the website, which is limited to authorized users. The purpose of the database will be to validate barcode scanning to eliminate the possibility of duplicate voting.
3. SSL – secured socket layer to this website
4. An Additional internet connection will be readily available should the normal access fail; as well as telephone communications between vote centers to manually verify voters who have already voted.

BALLOT

Style and Variation-Early Voting

Primary Election:

Ivotronic voting machines will be used at the satellite vote centers for absentee voting. Absentee voting by mail, travel board and at the Clerk's Office will be optical scan.

All ballot styles will be available at every vote center.

General Election:

All ballot styles will be available at every vote center.

Provisional Ballots

As indicated on the diagram earlier, a separate table will be set up for the provisional voter. These sealed ballots will be placed in a locked box and brought to the Wayne County Clerk's office by the Inspector and Democrat Judge at the close of each vote center each day. Provisional voters will vote using optical scan ballots, which is the procedure used in all elections. These ballots will be counted on a State certified M100.

Absentee Ballots

1. Absentee voting will be provided at the Voter Registration Office 30 days prior to the election.
2. Absentee voting will be tracked and balanced daily.
3. Optical scan ballots and a DRE will be used for absentee voting in the Clerks Office.
4. As stated above, DRE units will be at the satellite vote centers for early voting.
5. A State certified M100 would be used to count all paper absentee ballots.

Wayne County uses "Central Count" therefore; absentee ballots will be counted on Election Day in the Voter Registration Office.

Ivotronic Ballots

Certified Ivotronic voting machines will be used Election Day at all vote centers. Early voting via satellite office will be available five days prior to the election. Each PEB will hold all ballot styles. However, in future elections this may need to be modified.
