

The IRT is offering a special "Buy-one-get-one-free" Deal for all State of Indiana employees to see it's season opening production:

DRACULA

BY STEVEN DIETZ

September 7 - October 1

Wicked and seductive, the original bloodsucker is back in a fresh, faithful adaptation of Bram Stoker's horrific tale. The Count has taken residence in London, and only Professor Van Helsing understands the extent of the terror that is about to be unleashed. Transported back to a time where legend and science contend for supremacy, Steven Dietz's script keeps your heart beating and blood pumping...we hope.
