A Special Invitation to see Alfred Hitchcock's *The 39 Steps* at the Indiana Repertory Theatre!

WELLPOINT PRESENTS April 20th—May 14th **The 39 STEPS**

ADAPTED BY PATRICK BARLOW, FROM THE NOVEL BY JOHN BUCHAN, FROM THE MOVIE BY ALFRED HITCHCOCK; AN ORIGINAL CONCEPT BY SIMON CORBLE AND NOBBY DIMON

In this take on a Hitchcock classic, the audience dies laughing.

Find out why this Tony Award-winning play has been called "a Hitchcock masterpiece ... with a dash of Monty Python." A high-speed whodunit, *The 39 Steps* puts four actors through a hilarious workout, as they play multiple characters, contend with outrageous special effects and, along the way, pay homage to some of Alfred Hitchcock's most iconic movie moments ... all while delivering a somewhat faithful, totally tongue-in-cheek rendering of a classic Hitchcock movie.

The Indiana Repertory Theatre would like to offer a special ticket promotion for all State of Indiana employees to see Alfred Hitchcock's *The 39 Steps*

Sunday April 24th @ 2pm
