**It’s been an award-winning book and a hit movie. Now see it onstage!**

A lost treasure. A multi-generational curse. Racial injustice. And a bizarre correctional facility where kids serve time digging holes in the desert.

Found guilty of a crime he didn’t commit, Stanley discovers more than dirt as he digs – in this quirky comedy, he also finds new friends, the power of perseverance and the truth about his family’s past.

What will he find at the bottom of the next hole?

Left to right: Brandon Merriweather, Jaron Cook, David Anderson, Matthew Lindblom, Ben Tebbe
