It's been an award-winning book and a hit movie. Now see it onstage!

A lost treasure. A multi-generational curse. Racial injustice. And a bizarre correctional facility where kids serve time digging holes in the desert.

Found guilty of a crime he didn't commit, Stanley discovers more than dirt as he digs – in this quirky comedy, he also finds new friends, the power of perseverance and the truth about his family's past.

What will he find at the bottom of the next hole?
