Midas Auto Experts

The new Midas Employee Discount Program is designed to save you time, money on maintenance and repairs to your vehicles. We service all make and models of cars, light trucks, vans and SUVs. We have over 100 years of experience in auto repair at our Muncie locations and can perform most any repair or maintenance service required to keep your vehicles on the road.

Midas is one of the nations leading after-market automotive service chains. We pride ourselves in being a leader of the industry and have taken steps to develop an employee discount program for your company. This program provides you with many of the same benefits of a National Fleet program.

I will personally guarantee that you will be satisfied with the friendly, caring and professional service you receive at Midas. If you ever have questions or concerns you can reach me at my work number (765-288-8882) or my cell (765-635-3763)

Thank you for interest in the Midas Employee Discount Program. We appreciate the opportunity to work with you.

Again Thank you
