**Port-in Service Credit:** This offer is only available online, via telesales, and in participating Sprint Stores. Purchases from other retailers are not eligible for this credit. Requires port in from an active wireless line and mobile number that come through the port process. Request for service credit must be made at [www.sprint.com/switchtosprint](http://www.sprint.com/switchtosprint) within 72 hours from the port in activation date or credit will be declined. New line must remain active with Sprint for 61 days to receive service credit. Upgrades, replacements, add-a-phone/line transactions and ports made between Sprint entities or providers associated with Sprint are excluded (i.e., Virgin Mobile USA, Boost Mobile, Common Cents Mobile and Assurance). You should continue paying your bill while waiting for your service credit to avoid service interruption and possible credit delay. Smartphones include BlackBerry, Android, Windows Mobile, Palm, and Instinct family of devices. All other phones are considered feature phones. Smartphones require activation on an Everything Plan with data with Premium Data add-on charge.

**Payment Expectations:** Service credits will appear in adjustment summary section at account level on invoice and will appear as a "VALUED CUSTOMER SERVICE CREDIT." If the service credit does not appear on the first or second invoice following the 61st day, visit <https://www.sprint.com/switchtosprint>.

May require up to a \$36 activation fee/line, credit approval and deposit. Up to \$200 early termination fee/line applies. **Individual-Liable Discount:** Available only to eligible employees of the company or organization participating in the discount program. May be subject to change according to the company's agreement with Sprint. Available upon request on select plans and only for eligible lines. Discount applies to monthly service charges only.
