Dear State Employee

Thank you for being a part of our YMCA family! Your company's participation with our Corporate Membership Program is greatly appreciated.

It has been an exciting year at the YMCA of Greater Indianapolis! As a cause-driven organization, we are continually expanding member programs as well as updating our facilities. Within the past twelve months, we have opened the new **Witham Family YMCA** in Lebanon and the **Hendricks Regional Health YMCA** in Avon, and the **Indy Bike Hub YMCA** in downtown Indianapolis at the City Market will open in September. We have also completed major renovations and expansion at the **YMCA at the Athenaeum** and the **Benjamin Harrison YMCA**.

And, **all of our branches** have received updated equipment and other amenities to better serve you and your employees, offering you new facilities and programs to enjoy. This includes **free** wellness coaching, **free** nutrition consultations, **free** group exercise classes including cycle and beginner yoga and Pilates, and **free** child care. As always, Association-wide membership is good at ALL of our locations.

Over the past few years, we have held pricing in some categories and alternately made modest changes for other categories. In keeping with our pledge to create the best possible experience for your dollar, we again find it necessary to make some adjustments in membership fees.

For our Association-wide memberships, the following membership categories will **not** experience any change in pricing: Youth, Young Adult, Adult, and Senior Adult. One Adult and Senior One Adult Household memberships will increase by five dollars per month; Two Adult and Senior Households will increase by three dollars per month.

We make these changes with our pledge to create the best possible experience and value for your dollar. This will take effect **October 1, 2011**. The enclosed rate sheet shows how this will affect your specific company membership plan. We have sent this notice to you as your company representative, and all YMCA members will also receive a mailer specific to their membership category with their rate notice and five guest passes.

If you have any questions or concerns, please feel free to contact me or any of our YMCA Directors. Thank you!

Sincerely,

Raena Latina
