

FARM ANIMALS Pre K TO K POST-VISIT ACTIVITIES

Wrap-up/Action:

1. Have children collect pictures of farm animals and make a collage of the pictures. The children may integrate designs related to the farm into the picture.
2. Have the children collect pictures of the many different foods and other products that come from the farm animals and make a companion collage of the pictures. Place the two collage pictures together to display.

Extensions:

Have the children choose a farm animal and draw that animal in its appropriate "home" on the farm.
