Subject: Annual Survey of Children in Local Institutions for Neglected or Delinquent

The purpose of this annual report is to provide the Indiana Department of Education (IDOE) with data required by Title I, Parts A and D, of the Elementary and Secondary Education Act, for use in the computation of grants to local educational agencies (LEAs) and state agencies responsible for providing free public education for children in institutions or community day programs for children who are neglected or delinquent. Each year, IDOE collects information on the number and location of children living in institutions for children who are neglected or delinquent. The U.S. Department of Education uses Indiana's summary information to determine the total amount of Title I funds allocated to the state for children living in these institutions for the following fiscal year.

- It is the LEA's responsibility to report this data on behalf of eligible children and youth in neglected or delinquent institutions.
- All data must be confirmed by an LEA representative via enrollment/intake records and is subject to further audit by IDOE.
- **If there are no locally operated neglected or delinquent institutions**, the attached form must still be submitted with Section 1 (items #1 and #2) completed.

Please give careful attention to the [guide](#) for completing the [form](#). *If you cannot access these hyperlinks, please visit the Title I, D [website](#) and all documents are under the Data Reporting section.* Accuracy is especially important. **The form must be completed and signed by a Chief Administrative Official of the institution and an LEA Representative. The form must be submitted electronically to Titleidata@doe.in.gov no later than December 12, 2022.**

Submissions by any other means may not guarantee receipt of your data. Hard copies of the completed form should be retained by both the LEA and institution and should not be mailed to our office.

If there are any questions about completing the form or if additional information is needed, please contact:
