Technical Assistance Partners

Title IIA Preferred Technical Assistance Partners

The Indiana Department of Education has identified Technical Assistance Partners that can work on-site and virtually to provide highly effective, evidence-based support for teachers, principals, and other school leaders in their work to improve the overall quality of instruction and ensure educational opportunity for all students. This list of partners will exist as part of a toolkit designed to help schools make the greatest impact with Title IIA funds. These technical assistance partners may provide a range of on-site and virtual support to schools aligned with one or more of the following:

- Novice teacher and principal induction and mentorship;
- Meaningful evaluation and support;
- Strong teacher leadership; and
- Supporting a diverse educator workforce across the career continuum.

The organizations below have been approved following critical review of their qualifications specific to the priorities identified. School leaders seeking assistance are encouraged to refer to this list and consider partners that meet their specific needs¹.

Novice Teacher and Principal Induction and Mentorship

Establish and support high-quality educator induction and mentorship programs that, where possible, are evidence-based and designed to improve classroom instruction and student learning.
