SAT MILESTONES: 2023-2024

Task/Event	Date
Before Testing	
Fall Corporation Test Coordinator (CTC) Kickoff Meeting/Orientation College Board will provide an orientation training in the fall to serve as an overview of fall PSAT/NMSQT testing in the morning and spring 2024 Digital SAT School Day testing in the afternoon.	August
Technical Readiness Webinar This webinar will provide technology coordinators with an overview of the digital testing platform, system requirements, and a digital readiness timeline.	September
School Test Coordinators (STCs) Respond to School Set-Up Survey Each public school STC or non-public school CTC must be identified as the SAT Test Coordinator to serve as the primary point of contact for 2023-2024 SAT testing. This role will ensure that testing is administered with fidelity and deadlines are met.	September - October
SAT STC Workshop #1 This workshop will provide an overview of policies, procedures, test administration timelines, available resources, and communication planning prior to spring 2024 SAT testing.	October - November
Services for Students with Disabilities (SSD) Coordinator Training SAT Test Coordinators must appoint an SSD Coordinator within SSD Online. The SSD Coordinator will complete this required training to ensure that accommodations are successfully implemented for the SAT.	November - December
Submit Off-Site Testing Plans Schools must submit their plans to test students off site only if they require extra return materials.	November 2023 – January 31, 2024
Official SAT Practice Available This official SAT practices from Khan Academy includes coaching tools and resources to help provide students with the best SAT experience	January 2024
State-Allowed Accommodations (SAAs) Request Window Schools must request SAAs for any students that require them.	January 11 – February, 2024

*Some dates are approximate and are subject to minor changes.

SAT MILESTONES: 2023-2024

Task/Event	Date
Before Testing	
Deadline to Submit College Board Approved Accommodation Requests & English Learner (EL) Extended Time Requests This deadline serves to ensure that accommodations are requested in time to be approved for testing. This includes schools that must submit any requests for students who will require an accommodated paper test. The Extended Time accommodations for EL students must be requested in SSD Online, but do not require approval.	January 12, 2024
Official Online Test Coordinator & Additional Staff Training Available This training is required for all SAT Test Coordinators and proctors. Digital documentation, such as the digital Implementation Guide, should also be available.	Week of January 29, 2024
Nonstandard Administration Report (NAR) Available The NAR identifies any nonstandard accommodations for students participating in the SAT and becomes available to designated staff in SSD Online.	Available Year Round
SAT STC Workshop #2 This workshop will provide an overview of digital readiness, required online training, testing timelines, available checklists, a tutorial over the Test Day Toolkit, irregularity reports, and post-testing activities.	February 2024
Translated Test Directions Available	February 2024
Access to College Board's Test Day Toolkit Available SAT Test Coordinators will be provided school-level access to the Test Day Toolkit, College Board's digital test administration platform.	Week of February 5, 2024
Digital Readiness Window Opens Students are encouraged to opt in to College Board's new *Connections* feature. SAT Test Coordinators should conduct final digital readiness activities to prepare for spring testing.	Week of February 5, 2024
SAT Q&A Sessions: Primary Testing IDOE will host two Q&A sessions for educators to address questions regarding the administration of the Digital SAT School Day prior to the operational testing window. These webinars will be recorded and available following the sessions.	February 19, 2024, 3 to 4 p.m. ET February 20, 2024, 8 to 9 a.m. ET

*Some dates are approximate and are subject to minor changes.
