Re: Waiver Provider Survey (excluding Case Management)
Date: June 8, 2023

The Bureau of Developmental Disabilities Services' (BDDS) mission is *"To connect people with disabilities and their families to resources and supports to live their best life."* To further this mission, BDDS is enhancing the case managers and providers experience in the BDDS Portal.

In an effort to gather input from waiver providers, a post go-live survey has been created for providers to offer input that will continue to inform the BDDS Portal training resources and potential system enhancements.

Please complete the survey on or before **June 23rd**. The survey is available at: <https://forms.office.com/g/sQ607kiBFD> The survey should take less than 15 minutes to complete.

Your input is an integral part of systems consolidation and for future enhancements to the BDDS Portal. Thank you in advance for your contribution to the success of the systems consolidation project.

Questions or comments related to this survey, the BDDS Portal or the BDDS Gateway may be submitted to BDDS.SCPHelp@fssa.in.gov.
