CHAPTER: 1400 ADMINISTRATIVE POLICY	SECTION:1400 ADMINISTRATIVE POLICY

1400.00.00 FAMILY AND SOCIAL SERVICES ADMINISTRATION

The Family and Social Services Administration (FSSA) is the state agency responsible for social service and financial assistance programs. The administration includes seven major service divisions:

- The Division of Family Resources
 - The Division of Family Resources has the responsibility for SNAP, TANF, and Medicaid.
- The Division of Disability, Aging, and Rehabilitative Services
 - The Division of Disability and Rehabilitative Services administers programs for people with developmental disabilities.
- The Division of Mental Health and Addiction
 - The Division of Mental Health and Addiction (DMHA) is responsible for mental health needs and addiction services.
- The Division of Aging
 - The Division of Aging establishes and monitors programs that serve the needs of Indiana seniors.
- The Office of Medicaid Policy and Planning
 - The Office of Medicaid Policy and Planning administers Medicaid programs, performs medical reviews of Medicaid disability claims, and policy.
- The Office of Early Childhood and Out-of-School Learning.
 - The Office of Early Childhood and Out-of-School Learning (OECOSL) manages the Child Care Development Block Grant (CCDBG) including the CCDF voucher program which helps low-income families with the cost of childcare while parents are working, attending school or training, or enrolled in the TANF IMPACT program. OECOSL also administers Paths to Quality, Indiana’s childcare rating and improvement system.
- Indiana 211
 - Indiana 211 is a free information and referral service that connects Hoosiers with help and answers from thousands of health and human service agencies and resources right in their local communities, quickly, easily and confidentially.

The mission of FSSA is to develop, finance and compassionately administer programs to provide healthcare and other social services to Hoosiers in need to enable them to achieve healthy, self-sufficient, and productive lives.

1410.00.00 PERSONNEL STANDARDS

Certain personnel standards must be followed in the administration of the SNAP and Cash Assistance programs. DFR personnel responsible for determination of eligibility and calculation of benefits are to be state "Classified" staff. Functions of the eligibility staff include but are not limited to:

- Interviewing
- Evaluating
- Information gathering
- Establishing eligibility and benefit levels.

1410.20.00 SUFFICIENT STAFF

The DFR shall employ sufficient staff to perform eligibility and benefit issuance functions accurately and process benefits fairly and timely in accordance with the standards set forth in this manual.

1410.25.00 BILINGUAL STAFF AND MATERIALS

The DFR is to provide bilingual program information, certification and eligibility materials, staff and/or interpreters to low income, non-English speaking, single language AGs (AGs which speak the same non-English language and which do not contain adults fluent in English as a second language) in project areas where the DFR office serves a population of either approximately 100 single-language AGs or a low income group of less than 100 in which the majority are of the same single-language minority.

Certification materials include:

- The application forms.
- Change report forms; and
- Notices to AGs

1410.25.05 ESTIMATES OF POTENTIAL TARGET POPULATION

FSSA and DFR will work together to develop estimates regarding the numbers for low income, single language minority groups (both participating and non-participating in the programs) for each county using census data (including the Census Bureau's Current Population Report: Population Estimates and Projections, Series P.15, No. 627) and knowledge of project areas and services by certification offices.

There are several offices that may also be important in determining the need for bilingual services:

- Local Bureau of Census offices
- Community Services Administration offices Community Action Agencies
- Planning agencies
- Migrant service organizations
- School officials

If these information services do not provide sufficient information for FSSA to determine a need for bilingual staff of interpreters they may record the number of single language minority groups visiting the office to make inquiries about programs, file an application or be recertified.

1415.00.00 OUTREACH

Outreach promotes education and public awareness of assistance programs as well as increases access to services. Outreach includes:

- Providing program information.
- Providing referrals to other agencies.
- Training community organizations that provide program information to the public to promote assistance programs.
- Eliminating the social and geographic barriers to participation.
- Encouraging continued participation by AGs.
- DFR will work with community-based organizations to provide outreach to potentially eligible populations.

1420.00.00 INQUIRIES FOR INFORMATION

Individuals inquiring about assistance are to be given information in written form and orally, as appropriate, regarding eligibility requirements, scope of the program, and the rights and responsibilities of applicants/recipients.

Responses to inquiries regarding eligibility should be general. Information regarding agency procedures, income and resource standards, and program requirements may be provided.

In no event should individuals requesting information be told that they are eligible or ineligible unless that individual has filed an application and an official determination has been made.

A worker who makes an eligibility statement without receiving an application and/or completing a thorough investigation of an individual's or family's situation puts the agency at risk of providing benefits to ineligible people and denies the client the right to proper notice which is required by federal law.

The notice establishes and supports the client's right to appeal. Verbal communication without written notification serves to interfere with the client's rights.

1420.05.00 PRINTED MATERIAL

Written information that describes basic financial and non- financial eligibility criteria, the application process, and participant rights and responsibilities, are to be available.

This written information shall be distributed by the DFR and shall be made available to other local agencies upon request. This information is also available on the DFR website.

The informational leaflet explaining the rules and procedures governing the appeal and hearing process is to be made available by the DFR to each applicant/recipient and to any other interested person.

1420.10.00 MANUALS AND PROGRAM DIRECTIVES

Program manuals and supplemental instructions used in the determination of eligibility shall be accessible via the internet or at the DFR via the internet for examination by members of the public on regular workdays during regular office hours.

1425.00.00 CONFIDENTIALITY

All information obtained by the DFR and maintained in the case record about an applicant/recipient and their circumstances is confidential.

Information obtained by DFR from participants or individuals, whether they are currently participating or not, is also considered confidential.

Workers who access the agency's records pertaining to their family and friends are violating the client's right to confidentiality and the agency's security agreement. Violators will be subject to appropriate disciplinary action.

A relative, close friend, or co-worker may not perform any process of the interview or eligibility functions needed to complete the case. These types of cases should be transferred as determined appropriate by the regional manager or designee.

1425.05.00 ACCESS AND USE OF CONFIDENTIAL INFORMATION

Access and use of confidential information is to be restricted to DFR staff members with direct responsibility for establishing eligibility, authorizing benefits, administration, or oversight of the program, and providing services for the individual or family for whom the information was obtained.

Under no circumstances may a list of names and addresses of applicants/recipients be released for commercial or political purposes. (f1)

1425.10.00 RELEASE OF CONFIDENTIAL INFORMATION

Sections 1425.10.05 through 1425.10.15 describe circumstances in which confidential information may be released.

1425.10.05 RELEASE OF CONFIDENTIAL INFORMATION TO THE INDIVIDUAL

Case Records: Upon request by an applicant/recipient and/or authorized representative all case information pertaining to that individual is to be made available. Individuals who request copies of case material may be charged a fee per page (not to exceed the actual cost of copying by the DFR Office). (f2)

Telephone Records: Upon request by an applicant/recipient and/or the authorized representative the recorded telephone conversation may be available within a reasonable amount of time. In making this request the date and time of the telephone call and phone number which was the call was made must be provided. The request may be received via email or other electronic methods at the individual's expenses or request a transcript of the recording. Additional time is required to prepare a transcript. Transcripts are costly and the requesting individual is responsible for that cost.

When a hearing has been requested, DFR mandates the claimant and/or authorized representative are provided adequate opportunity prior to the date and during scheduled hearing to examine the contents of the case file, all documents, and records agency is to use at the hearing.

1425.10.10 RELEASE OF INFORMATION TO THIRD PARTIES

Unless permitted by one of the following sections, the release of agency information requires a statement signed by the applicant/recipient, authorizing the Local Office to release the information to the requesting agency or individual. This written authorization must specify the scope of information the DFR is authorized to release, the specific agency or individual to whom the information is to be released, and the period for which information is to be released. (f3) Authorizations should be preserved in the case file.

1425.10.10.05 RELEASE OF CONFIDENTIAL INFORMATION WITHOUT CONSENT

Confidential information may be released without the applicant's/recipient's permission for purposes directly connected with:

- The administration of the SNAP, TANF, IMPACT, (such purposes include establishing eligibility, determining the amount of assistance, and providing services).
- The administration of any other federal or federally funded program which provides assistance, in cash or in-kind, or services directly to individuals based on need such as Child Support, Medicaid, Title XX, Supplemental Security Income (SSI) programs, the Section 8 Housing Program, and the Workforce Innovation and Opportunity Ave (WIOA) programs.
- Any investigation, prosecution, or criminal or civil proceeding conducted in connection with the administration of any of the above programs; or any audit or similar activity (for example, a review of expenditure reports or a financial review) conducted in connection with any of the above programs by any governmental entity which is authorized by law to conduct such audit or activity. (f4)

1425.10.10.10 RELEASE OF CONFIDENTIAL INFORMATION WITHOUT CONSENT TO LAW ENFORCEMENT (S)

If a law enforcement officer provides a recipient's name and notifies the agency that the recipient is:

- Fleeing to avoid prosecution.
- Custody or confinement for a felony.
- Violating a condition of parole or probation; and/or
- Has information necessary for the officer to perform an official duty related to a felony/parole violation.

Then the agency must give the recipient's address, SSN, and photograph (if available) to the officer. The requesting officer must provide the applicable information listed above which must be documented in the eligibility system along with the officer's name and date requested.

142510.11.15 RELEASE OF CONFIDENTIAL INFORMATION WITHOUT CONSENT TO LAW ENFORCEMENT (C)

Confidential Cash Assistance information may also be released to support any effort by law enforcement officers to locate a Cash Assistance recipient who is a fugitive felon. The DFR may release the name and current address of the Cash Assistance recipient to a law enforcement officer only after the law enforcement officer has provided the DFR with the recipient's social security number and sufficient information that the Cash Assistance recipient is a fugitive felon.

1425.10.10.20 ISSUANCE OF SUBPOENA

If a subpoena is issued for the case record or for a DFR representative to testify concerning an applicant/recipient, the attorney for the DFR is to immediately be informed. The attorney should decide of the appropriateness of releasing the information and, where appropriate, bring to the court's attention the statute and regulation regarding confidentiality. When information is to be made available to any person under compulsory legal process, the DFR should make reasonable efforts to furnish prior notice to the client regarding the release.

1432.00.00 ADA/REHABILITATION ACT POLICY

The purpose of Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) is to protect disabled individuals and individuals who have a relationship or association with a disabled person from discrimination based upon the disability in participation of or obtaining benefits and services which they are otherwise qualified to receive. DFR does not discriminate against individuals with disabilities, as defined by Section 504 and/or the ADA.

1432.05.00 LEGAL BASIS FOR THE ADA/REHABILITATION POLICY

The legal basis for prohibition against discrimination of disabled individuals is Section 504, and the ADA. As a recipient of federal funds under the TANF program, the DFR is subject to Section 504 and its implementing regulation promulgated by the U.S. Department of Health and Human Services, 45 C.F.R. Part 84.

As a recipient of federal funds under the SNAP program, the DFR is subject to Section 504 and its implementing regulations promulgated by United States Department of Agriculture (USDA), 7 CFR Part 15 b. As a state agency providing social services, the DFR is subject to the ADA and implementing regulations promulgated by the U.S. Department of Justice, 28 CFR Part 35.

1432.05.05 ACCOMMODATIONS FOR THE ADA/REHABILITATION ACT

It is the DFR's policy to provide reasonable accommodations by furnishing individuals with disabilities appropriate auxiliary aids and services where necessary to afford individuals with disabilities an equal opportunity to participate in and enjoy the benefits of DFR's programs and services for which they are otherwise qualified to receive.

The DFR provides primary consideration to the accommodation requests of individuals with disabilities; however, requests which fundamentally alter the nature of a service, the programs, or create undue financial or administrative burden upon the DFR are addressed by the ADA Coordinator to ensure to the maximum extent possible individuals with disabilities who meet the essential eligibility requirements for the receipt of such DFR services have access to participate in and enjoy the benefit of the DFR's programs and services.

1432.10.00 ADA COORDINATOR

The DFR has an ADA Coordinator to ensure compliance with Section 504 and the ADA. The ADA Coordinator will provide training, advice, and guidance regarding Section 504 and the ADA. DFR staff and contractors with any specific questions or issues regarding compliance with the Section 504 or ADA provide inquiries to the RM, who will contact the ADA Coordinator. The ADA Coordinator works with RM to resolve questions or issues, and evaluate the next steps, if any, needed to comply with Section 504 or the ADA.

1435.00.00 NON-DISCRIMINATION

Individuals will not be discriminated against for reasons of age, race, color, sex, disability, religious creed, national origin, marital status, or political beliefs in any aspect of program administration including, but not limited to:

- The acceptance of and responsiveness to a request for assistance
- The eligibility determination
- The issuance of EBT cards or benefits
- The IMPACT Program administration
- Fair hearing procedure
- Any other service offered by the DFR.

1435.05.00 NON-DISCRIMINATION INFORMATION (S)

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the basis of race, color, national origin, age, disability, sex, gender identity, religion, reprisal and, where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department.

This institution is an equal opportunity provider.

To inform all individuals of their protection against discrimination and to ensure agency compliance with civil rights laws and policies:

- The DFR publicizes the procedures for filing state and federal complaints to inform individuals of nondiscrimination compliance.
- All offices must display the USDA nondiscrimination poster "And Justice for All" – AD-475B.
- Information regarding the complaint system and an explanation of the procedure must be provided to all individuals immediately upon request.

1440.00.00 COMPLAINTS

An applicant/recipient, or a person acting on his behalf, may register any dissatisfaction he may have regarding a DFR action or inaction relative to his entitlement to benefits as well as any mistreatment by agency staff.

Complaints may be made to the DFR in person, by telephone, online or in writing.

Some complaints may be directed to the FSSA or other officials of federal or state government. Complaints directed to other governmental offices are normally referred to the DFR for investigation and reply.

All complaints are to be given prompt, courteous, and thorough attention by DFR staff.

1440.05.00 PUBLICATION OF COMPLAINT PROCEDURE (S)

The DFR is responsible for making information on the complaint procedure available to AGs, potential AGs, and other interested persons. These include provision of all appropriate telephone numbers and addresses, the same being displayed in a reasonable fashion in the DFR Offices and provided specifically to any person raising a complaint.

1440.10.00 APPLICANT/RECIPIENT COMPLAINTS RECEIVED BY THE DFR

Upon receipt of a complaint from an applicant/recipient, the DFR is to take immediate steps addressing the problem, including any or all the following:

- Review the situation to determine whether the action taken was in accord with federal and state law and regulation; (If an error occurred, adjusting action is to be taken immediately.)
- Promptly interview, telephone, or write the complainant to interpret appropriate aspects of the program.
- Provide the complainant with appropriate program eligibility information.
- Advise the complainant of other programs and community resources that may be able to meet his needs; and
- Advise complainants of their appeal rights and help them to understand the appeal and hearing process.

See IPPM 4205.00.00 – 4205.10.00 regarding appeal rights.

1440.15.00 COMPLAINTS RECEIVED FROM THIRD PARTIES BY THE DFR

When the DFR receives a complaint or inquiry on behalf of the applicant/recipient from another individual, specific information about the applicant/recipient cannot be released without their signed consent. (f5) see PPM 1425.00.00-1425.10.10.20 regarding confidentiality.

If such inquiry is received without an authorization for release of information, the DFR is to provide general information relative to the nature of the complaint. The complainant should be advised of the confidentiality of case records and of the necessity of obtaining the applicant's/recipient's signed consent.

1440.20.00 COMPLAINTS OF DISCRIMINATION

Discrimination in the SNAP or Cash Assistance programs is specifically prohibited based on race, color, national origin, sex, (including sexual orientation and gender identity) age, or disability.

SNAP also prohibits discrimination for religion or political beliefs. These are considered 'protected classes'. In addition, Federal civil rights laws make it illegal to discriminate against someone who has filed a complaint or has engaged in other Equal Employment Opportunity (EEO) or civil rights activity.

Examples of Discrimination

Discrimination can occur in many ways. The actions below are examples of discrimination and non-compliance with civil rights requirements when the action is motivated by or results from a policy that disproportionately has an adverse impact on a person or group of people who belong to one of the protected classes:

- Denial of an individual or household of any service or benefits provided under the program for which the individual or household is otherwise eligible.
- Not providing a translator or other foreign language assistance to a household with limited English proficiency.
- The failure of DFR staff to provide the same quality, quantity, manner of service or benefits to all.
- Segregation or separate treatment of individuals in any manner related to the application for or receipt of program benefits (separate facilities or separate procedures based on race or another protected class status and having noticeably better office space in one part of town versus another where populations include a greater percentage of those with protected class status).
- Use of criteria or methods of administration that have the effect of defeating or impairing the objectives of any program (imposing additional eligibility criteria on certain individuals).
- Selection of sites for offices that exclude or discourage individuals from accessing the benefits of the program such as offices that are not accessible to persons with disabilities or offices located far away from an eligible minority community and not served by public transportation.
- Adverse treatment such as rude, unprofessional, and unresponsive behavior directed at any individual with protected status.

Evidence of discrimination is established when all the following conditions are met:

- A complainant shows that the individual has been adversely affected by a program decision.
- The adverse action is related to a protected condition.
- The individual against whom the action was taken is a member of the protected class.

The complaint must be filed no later than 180 days from the date of the alleged discrimination or when the complainant became aware of the action. If circumstances warrant, the Civil Rights Director of the Department of Agriculture or the Director of Health and Human Services may extend the filing time.

Program applicants or program recipients who feel that they have been discriminated against can complain to the following:

- DFR Office staff
- DFR Policy Section of the Division of Family Resources, 402 W. Washington Street, Room W363, Indianapolis, IN 46204, or call (317)233-0826

- Regional Director, Office of Civil Rights/EEO, USDA, Food and Nutrition Service, Midwest Region, 77 W. Jackson Blvd., 20th Floor, Chicago, IL 60604-3511
- **For SNAP:** complete the USDA Program Discrimination Complaint Form or call (866) 632-9992 to request the form. Send a completed complaint form to U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or by fax (202) 690-7442. The form may also be submitted via email at program.intake@usda.gov; or
- To file a complaint of discrimination regarding a program receiving Federal financial assistance through the U.S. Department of Health and Human Services (HHS), write: HHS Director, Office of Civil Rights, Room 515-F, 200 Independence Avenue, S.W., Washington, D.C. 20201, or call (202) 619-0403 (voice) or (800) 537-7697 (TTY).

Individuals who feel they have been discriminated against may file a written or verbal complaint. Anyone contacted about a complaint should make every effort to obtain the following information from the complainant:

- Name
- Address
- Telephone number or other means of contacting the complainant.
- Name and location of office where the alleged discrimination took place.
- The nature of the incident that led to the complaint.
- The protected status (i.e., race, color, national origin, sex, age, religion, political beliefs, or disability) that the complainant believes was violated.
- The names and contact information of the individuals who have knowledge of the discriminatory action.
- The date of the alleged discriminatory action.

1440.20.05 DFR AND DISCRIMINATION COMPLAINTS

The DFR's responsibilities related to handling complaints of discrimination are listed below:

- Civil Rights complaints are to be forwarded to the appropriate Regional Manager who will initiate the investigation. Complaints may be forwarded to the Regional Manager (RM) via telephone or the regional mailbox (email).
- Any complaints determined to be a complaint of discrimination based on age are to be reported to the FNS Regional Office of Civil Rights (OCR) within 5 days of receipt.
- The tracking of civil rights complaints will be managed by the SNAP Policy section.
- The RM will notify the designee in SNAP policy so that tracking of the complaint may begin. Tracking will include, at a minimum, date complaint was received by the RM; nature of complaint; disposition of complaint; date final response provided to the client.
- The RM will designate a manager in their region to address the complaint. This will include at a minimum: contacting client; reviewing case information or other documentation; rectifying any errors in case processing, etc.; completing a report for DFR records; completing a letter that summarizes the findings and responds to the client's complaint. The RM will maintain oversight of this process.
- All complaints must be resolved within 90 days, but an investigation will be initiated upon receipt of the complaint.

- The report will contain, at a minimum, the following information: findings of the investigation with relation to the specific allegations of the complaint and a summary of all interviews with the complainant, participants, and community organizations and casefile examinations. The report will be forwarded to SNAP policy for tracking and transmittal to FNS.
- The report will be submitted to the FNS Midwest Regional Office prior to mailing of a summary letter to the complainant.
- A letter will be mailed to the complainant with a summary of the findings and actions taken by the Region conducting the investigation after approval from FNS. The letter will include information regarding the right to appeal to the Secretary of Agriculture.

1440.20.10 DFR POLICY SECTION AND DISCRIMINATION COMPLAINTS

The DFR Policy Section responsibilities in resolving complaints of discrimination are described below:

- Complaint is received. Attempt to get as much information as possible as described in Section 1440.20.00.
- If the complaint alleges discrimination by a specific worker or refers to one incident (and there is no allegation of or reason to believe that there is a policy or practice in the office that may be discriminatory), refer the complainant to the appropriate DFR office within one day after receipt.
- If the complaint alleges widespread discrimination or discriminatory practices in the DFR office, arrange to have someone from the DFR Policy Section to go to the DFR office to investigate the allegation. The investigation would be conducted in a manner like the procedures described in Section 1440.20.05, but more emphasis would be put on contacting other applicants and recipients of the same protected classes the complainant to see if they had experienced similar treatment. These cases would also be handled in the same timeframes described under DFR office procedures.
- Acknowledge receipt of the complaint to the complainant in writing within 5 days after receipt.
- Review the draft of the decision letter prepared by the Regional Manager or their designee or DFR Policy Section staff after the investigation is completed.
- Determine if the investigation was thorough and whether appropriate action was taken.
- If all the information is complete and the decision is in keeping with stated findings, forward the report to the appropriate federal regional office.
- Instruct the Regional Manager or their designee to forward a copy of the final decision letter to the complainant.
- If an investigation was not conducted, review the DFR's written report to determine if the reason(s) for not investigating are acceptable.
- Follow up on all findings of 'probable non-compliance' to ensure that corrective actions have been taken and that problems are not recurring.
- **For SNAP:** Submit a quarterly report to FNS on all discrimination complaints processed during that period.
- Review discrimination complaint logs to determine if there are any patterns of complaints that may require training or other corrective actions either statewide or project areas.

1445.00.00 MANDATORY REPORTING OF CHILD ABUSE OR NEGLECT

A person who knowingly fails to make such a report commits a Class B misdemeanor. Reports are to be made by contacting the local Department of Child Services or law enforcement agency.

Each DFR office should have an established policy which addresses how staff is to report suspected child abuse and neglect. Each worker should be aware of this policy and be encouraged to make appropriate reports.

1450.20.00 RETENTION OF DOCUMENTS WITHIN THE CASE FILE

Most case records are to be maintained for three years. The three-year period starts at different times for different documents. 1455.00.00 DESTRUCTION OF CASE MATERIAL

All case file materials must be maintained for review and audit purposes in accordance with the retention guidelines presented previously.

Before destroying case file records, it will be important to ensure that the record has lost relevance for all the programs in which the case members participated.

When case records have been inactive for three years, a request for record destruction is submitted to the Archives Division, Commission on Public Records, with a representative sample of three cases for the year. Upon approval, the other inactive case records may be destroyed.

1460.00.00 GENERAL SNAP BENEFITS USE (S)

SNAP AGs must be informed, at application and eligibility review, of rules governing SNAP benefits usage.

AGs are not required to have cooking facilities or access to cooking facilities to participate in the program.

1460.10.00 SPECIAL SNAP BENEFITS USE (S)

Although SNAP benefits were originally intended for use by eligible AGs to purchase foods for home consumption, certain groups have been authorized to use their SNAP benefits to obtain prepared meals, or to facilitate their obtaining food. These authorized special uses for SNAP benefits are as follows.

Questions regarding whether a facility is approved under these conditions should be directed to SNAP Policy for clarification. The DAA facility can utilize the SNAP benefits of residents within the facility to provide food for the residents of the facility under certain conditions.

The DAA is required to:

- Appoint an employee of the facility as an authorized representative.
- Submit a list monthly to Division of Family Resources that indicates all SNAP clients who are residing in the home.

- Provide notice to the state that a client has left their facility within 5 days of the occurrence.
- Return EBT cards to clients who choose to leave the facility. If a client leaves without taking the EBT card, the facility is responsible for returning the card to the local office within 5 days.
- Residents of DAA facilities, who choose to apply for SNAP while residing in a DAA facility, are to appoint the facility designee as the authorized representative. Facility authorized representatives must verify that they are approved by the facility to be an authorized representative.
- If the client is residing at the facility with their own children, the children should be included in the assistance group; otherwise, the client is treated as a single person assistance group. Eligibility is determined as per current business practice, requiring the same verifications.

Clients are exempt from work registration while residing in such a facility and this must be indicated in the eligibility system. When a client leaves a DAA facility, their work registration status must be reviewed and updated.

Clients should be advised of the following at the time of the interview:

- The process of appointing and revoking an authorized representative.
- The DAA facility may maintain possession of the EBT card while the client resides at the facility.
- The client should be made aware of the importance of reporting a change in address if leaving the DAA facility (though it is not required as part of simplified reporting).

- The DAA facility may take half of the benefits from the card prior to the 15th day of the month (based on the client's staggered issuance date); and the other half of the benefits on or after the 16th day of the month (based on client's staggered issuance date).
