Monthly and Annual Engagement Uploads

Use the form below to find and upload documents required for audit support. **Note: This information is for the State Board of Accounts internal use only and will not be made available on the Gateway Public site.**

File Upload Status: The current upload status is viewable in the table below. Any objects with a red X need to be uploaded. To view a previous upload, click on the download icon in the table. To delete a previous upload, click on the delete icon for that record in the status table.

To upload new files: Select which set of files need to be uploaded using the Select Upload Group dropdown. Next, select the specific file from the Select File Type dropdown on the right. The user will be able to upload files using the Browse and Upload buttons in the Provide File section. In some cases, an option will appear in the Provide File section allowing a user to provide a link instead of uploading a file. To do this, select the Web Link option and paste the link in the textbox labeled Provide Link.

To complete the entry: Click on the button marked Submit. The status table will be updated. Multiple files may be uploaded for each Upload Group and File Type. If a file needs to be reloaded, the user should delete that file from the status table first.
