# From Auditor to Comptroller?!

- What's in a name
  - Decision to change the law vs the constitution
    - I.C. 4-7-1-1(c) The auditor of state shall also be known as the state comptroller. After June 30, 2023, the auditor of state's office shall use the title "state comptroller" in conducting state business, in all contracts, on business cards, on stationery, and with other means of communication as necessary. The change in title under this subsection does not invalidate any documents or transactions conducted in the name of the auditor of state.*
  - Practical implementation & implications of having two titles
