Introduction to Settlement

- The county settlement process includes the balancing & distribution of both property & excise taxes to all units of government in the county.
- After the County Treasurer has completed posting & reconciling tax collections, they submit the collections to the County Auditor.
- The County Auditor completes the State prescribed settlement documents & submits to the Office of State Comptroller for review.
- Once approved by the State, the County Auditor distributes the settlement dollars to the units of government in the county.

Settlement Checklist

- Settlement Checklist was created for the county to use to verify their data prior to submitting settlement for approval
- The Checklist simulates "most" of the State's review
- The Checklist allows the county to self-review their information prior to submission for consistency across forms in reporting
- Provided by the State during settlement process
- Submit to State upon completion
