ADMINISTRATIVE LAW JUDGE'S ORDER

Comes now N. Stacy Lankford, M.D., the Administrative Law Judge designated by the Board in this proceeding, and hearing having been held, now issues and files his order. Notice is hereby given that any objection to the Administrative Law Judge's Order must be filed with the Board, identifying the basis of the objection with reasonable particularity, no later than eighteen days from the date of issuance of this order unless such date is a Saturday, a Sunday, a legal holiday under state statute or a day that the Health Professions Bureau's offices are closed during regular business hours in which case the deadline would be the first day thereafter that is not a Saturday, a Sunday, a legal holiday under state statute or a day that the Health Professions Bureau's offices are closed during regular business hours. This Administrative Law Judge's Order is not the final order of the Board in this proceeding. However, in the absence of any objection, the Board either will affirm the Administrative Law Judge's Order as its final order or will serve notice of its intent to review any issue related to the Administrative Law Judge's Order.

FINDINGS OF FACT

1. This matter is pending before the Board on Barbara Freeman, M.D.'s [hereinafter "petitioner"] petition for review of the Board's denial of her application to practice medicine in Indiana.
2. The Board initially denied the petitioner's application because it did not appear to be fully completed with the inclusion of medical school transcripts.
3. The missing information actually was present in the agency's files but under the petitioner's maiden name Barbara Mann. Therefore, the petitioner qualifies for licensure.

CONCLUSIONS OF LAW

1. Under Indiana Code Section 25-22.5-5-2, the Board may issue a license by endorsement to qualifying individuals who are licensed in another state. However, it is necessary that the Board obtain certain required information in order to determine whether an applicant is qualified.

Exhibit A

2. Because the petitioner has the required information and established that she meets the requirements for licensure, her application for a license may be granted.

ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that the petitioner's application to practice medicine in Indiana is granted.
