ORDER DENYING PETITION FOR SUMMARY SUSPENSION

Hearing was held in this matter on April 28, 2005, on the State of Indiana's Petition for Summary Suspension filed on April 25, 2005. The Medical Licensing Board of Indiana ("Board") having considered this matter finds that it was not established that the Respondent, Charles R. Chube, M.D., would represent a clear and immediate danger to the public health and safety if allowed to continue to practice. Therefore, the Petition for Summary Suspension filed in this matter on April 25, 2005, is **DENIED**.

ISSUED this 2ND day of JUNE, 2005.
