MOTION TO RENEW SUMMARY SUSPENSION

The State of Indiana (“Petitioner”), by counsel, Deputy Attorney General Katy J. Kramer, moves the Medical Licensing Board of Indiana (“Board”) to renew the summary suspension of the physician license of Dr. Abdelmessiah K. Guirguis (“Respondent”). In support, Petitioner states and alleges as follows:

1. On February 12, 2026, Petitioner commenced this action by filing its Petitioner for Summary Suspension against Respondent’s Indiana physician license.
2. On February 23, 2026, Petitioner and Respondent (“the Parties”) filed a Voluntary Summary Suspension Agreement (“VSSA”) for the Board’s approval.
3. Therein, Respondent agreed to the summary suspension of his license.
4. Respondent also agreed that the Board may “renew the summary suspension of Respondent’s license for successive ninety (90) day periods until the earlier of a final disposition in this matter or Petitioner’s motion to vacate its Petition.”
5. On February 26, 2026, the Board voted to accept the VSSA, thereby summarily suspending Respondent’s license for ninety (90) days.
6. On June 30, 2026, effective May 28, 2026, the Board issued a subsequent order extending the summary suspension for an additional ninety (90) days, until August 27, 2026.

7. Petitioner now seeks renewal of the summary suspension for an additional ninety (90) day period.

8. Ind. Code § 25-1-9-10(a) provides that a “summary suspension may be renewed upon a hearing before the board, and each renewal may be for ninety (90) days or less.”

9. Here, pursuant to the terms of the VSSA, neither a final disposition in the matter nor a motion to vacate the summary suspension has occurred. Accordingly, renewal of the summary suspension of Respondent’s license for a period of ninety (90) days is proper.

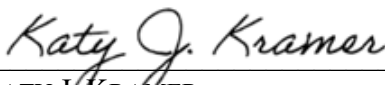

10. Counsel for Respondent is aware of Petitioner’s filing of this Motion and does not object.

11. Based on this, the Board should summarily grant this Motion.

WHEREFORE, Petitioner moves the Board to issue a non-final order renewing the summary suspension of Respondent’s license for an additional ninety (90) days from August 27, 2026.

Respectfully submitted,
