

5. Petitioner underwent two site inspections by the Indiana Professional Licensing Agency with no noted violations.

6. Further, Petitioner established that Petitioner has complied with all statutes and rules governing the practice of pharmacy in accordance with the Board's Order.

7. As such, the Board determines now that Petitioner has complied with the terms placed on Petitioner's probationary license to practice as a pharmacy.

### **CONCLUSIONS OF LAW**

1. Indiana Code § 25-1-9-9(b) states that:

The board may withdraw or modify the probation under subsection (a)(5) if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order.

2. Because Petitioner has established that the deficiency which required disciplinary action has been remedied pursuant to Ind. Code Section 25-1-9-9(b), the Board has determined that it is appropriate to grant Petitioner's request to withdraw the indefinite probation status placed on Petitioner's pharmacy license.

3. The Board hereby finds that Petitioner's request to withdraw probation is appropriate, and issues this Order as set forth below.

### **ORDER**

**IT IS HEREBY ORDERED, ADJUDGED, AND DECREED** that Petitioner's petition for withdraw of probation is granted and, therefore, Petitioner's license is to return to "Active" status, free and clear from any term of probation.
