FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

Alexander Anderson appeared at a hearing before the Indiana Board of Pharmacy ("Board") on January 13, 2014, in Room W064 of the Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana concerning his request to have the probationary terms withdrawn from his registration as a pharmacist intern.

The state of Indiana appeared by Kelsie Duggan of the Attorney General's Office. Anderson appeared in person and waived his right to be represented by counsel.

The Board, after considering the file and the testimony of Anderson, by a vote of 5 to 0, issued the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Alexander Anderson, whose mailing address is 3726 North Ramsgate Road, Martinsville, Indiana 46151, is a duly certified pharmacist intern in the State of Indiana holding certification number 45017961A.

2. The Indiana Professional Licensing Agency sent, and Anderson received, timely and proper notice of the date, time and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

3. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code ch. 4-21.5-3.

4. The Board issued Anderson's registration on probation in December 2012 because he had been convicted of operating a vehicle while intoxicated. He was on criminal probation at the time.

5. In November 2013 Anderson requested that the probation be withdrawn from his certificate.

6. At the hearing on withdrawal, Anderson testified that he has complied with the terms of his probation which included completing his criminal probation and doing community service.

7. The deficiency that led to the probation of Anderson's registration involved alcohol abuse. Anderson's compliance with his probation constitutes evidence that this problem has been remedied.

CONCLUSIONS OF LAW

1. "The board may withdraw or modify the probation ... if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order." Ind. Code § 25-1-9-9(b).

2. Anderson's compliance with his probation constitutes evidence that the deficiency that required disciplinary action has been remedied.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board **WITHDRAWS** the probation on Anderson's certification.

SO ORDERED this 15th day of January, 2014.
