FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

Douglas Anderson appeared at a hearing before the Indiana Board of Pharmacy ("Board") on May 13, 2013, in Room W064 of the Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana concerning his request to have the probationary terms withdrawn from his license as a pharmacist.

The state of Indiana appeared by Tim Weber, Certified Legal Intern and Darren Covington, Deputy Attorney General. Anderson appeared in person and waived his right to be represented by counsel.

The Board, after considering the file and the testimony of Anderson, by a vote of 4 to 0, issued the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Douglas Anderson, whose mailing address is 2150 Fosterway #2, Princeton, Indiana 47670, is a duly licensed pharmacist in the State of Indiana holding license number 26018910A.

2. The Indiana Professional Licensing Agency sent, and Anderson received, timely and proper notice of the date, time, and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

3. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code § 4-21.5-3.

4. In February 2010 Anderson diverted drugs from his employer for his own use. He was also convicted of conversion as a result of the incident. The Board placed Anderson's license on probation in March 2011 because in April 2010 he signed a recovery contract with the Pharmacists Recovery Network ("PRN") and appeared to be in a strong recovery.

5. In April 2013, Anderson asked that the probation on his license be withdrawn.

6. At the hearing on reinstatement, Anderson testified he was released from his PRN contract in May 2013.

7. The medical director of the PRN determined that Anderson "is safe to work as a pharmacist without being monitored." Letter from Richard Hinchman, M.D. dated April 15, 2013.

8. The deficiency that led to the probation of Andersons' license involved drug abuse. Anderson's compliance with his probation constitutes evidence that this problem has been remedied.

CONCLUSIONS OF LAW

1. "The board may withdraw or modify the probation ... if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order." Ind. Code § 25-1-9-9(b).

2. Anderson's compliance with his probation constitutes evidence that the deficiency that required disciplinary action has been remedied.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board
WITHDRAWS the probation on Anderson's license.

ORDERED, this 20 of May 2013.

INDIANA BOARD OF PHARMACY
