

BEFORE THE INDIANA
BOARD OF PHARMACY
CAUSE NUMBER: 2013 IBP 0044

IN THE MATTER OF THE LICENSE OF:)

JARED BACHMAN, R.PH.)

LICENSE NUMBER: 26021573A)

ORDER WITHDRAWING PROBATION

Jared Bachman appeared at a hearing before the Indiana Board of Pharmacy ("Board") on August 14, 2017, in Room W064 of the Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana concerning his request to have the probationary terms withdrawn from his license as a pharmacist.

Tim Weber, Deputy Attorney General, represented the state of Indiana. Bachman appeared in person and waived his right to be represented by counsel.

The Board, after considering the file and the testimony of Bachman, by a vote of 7 to 0, issued the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Bachman, whose mailing address is 8334 Hampton Circle East, Indianapolis, Indiana 46256, is a pharmacist with license number 26024999A.

2. The Indiana Professional Licensing Agency sent, and Bachman received, timely and proper notice of the date, time and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

3. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code ch. 4-21.5-3.

4. The Board placed Bachman's license on probation on August 20, 2014 because he had diverted medications from his employer. At the time the Board placed him on probation he appeared to be in a strong recovery. In June 2017 Bachman requested that the probation be withdrawn from his license.

5. At the hearing on withdrawal of probation, Bachman testified that he has complied with the terms of his probation which included completing a recovery contract with the Pharmacists Recovery Network.

6. The deficiency that led to the probation of Bachman's license involved diversion and substance abuse. Bachman's compliance with his probation constitutes evidence that this problem has been remedied.

CONCLUSIONS OF LAW

1. "The board may withdraw or modify the probation ... if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order." Ind. Code § 25-1-9-9(b).

2. Bachman's compliance with his probation constitutes evidence that the deficiency that required disciplinary action has been remedied.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board **WITHDRAWS** the probation on Bachman's license.

SO ORDERED this 21st of August, 2017.
