FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

Devon Bascom appeared at a hearing before the Indiana Board of Pharmacy ("Board") on April 8, 2013, in Room W064 of the Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana concerning his request to have the probationary terms withdrawn from his registration as a pharmacist intern.

The state of Indiana appeared by Tim Weber, Certified Legal Intern and Darren Covington, Deputy Attorney General. Bascom appeared in person and waived his right to be represented by counsel.

The Board, after considering the file and the testimony of Bascom, by a vote of 6 to 0 issued the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Devon Bascom, whose mailing address is 9521 Brightwell Drive, Indianapolis, Indiana 46260, is a duly registered pharmacist intern in the State of Indiana holding registration number 45016168A.

2. The Indiana Professional Licensing Agency sent, and Bascom received, timely and proper notice of the date, time and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

3. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code § 4-21.5-3.

4. The Board renewed Bascom's registration on probation in May 2012 because he had been arrested for driving while intoxicated in July 2011. The incident occurred in New York.

5. In February 2013, Bascom asked that the probation on his registration be withdrawn.

6. At the hearing on withdrawal of probation, Bascom testified that he has complied fully with the terms of his probation, which included fulfilling his obligations to the court system in New York.

7. The deficiency that led to the probation of Bascom's registration involved alcohol abuse. Bascom's compliance with his probation constitutes evidence that this problem has been remedied.

CONCLUSIONS OF LAW

1. "The board may withdraw or modify the probation ... if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of this order." Ind. Code § 25-1-9-9(b).

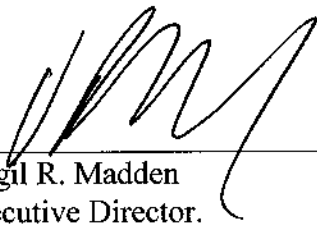

2. Bascom's compliance with his probation constitutes evidence that the deficiency that required disciplinary action has been remedied.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board **WITHDRAWS** the probation on Bascom's registration.

ORDERED, this 18 of April, 2013.
