Dear Director,

In advent of things,Iam writing to ask the Indiana board of Pharmacy for a hearing for the February 8<sup>th</sup> 2010 meeting. My last meeting of June 8<sup>th</sup> 2009 was much or less an advancing notation. Please advice me in your confirmation letter,if I need to bring my continuing education hours again,since I submitted a total of two hundred and nine hours(209) in june. I was adviced by the IPLA that my possible next meeting date was in January of 2010.  
Thank you,

Sincerely,
