PETITION FOR SUMMARY SUSPENSION

The State of Indiana ("Petitioner"), by Counsel, Office of the Indiana Attorney General, by Certified Legal Intern Tim Weber and Deputy Attorney General Darren R. Covington, moves the Indiana Board of Pharmacy ("Board") to summarily suspend the pharmacy intern license of Gregory Levon Miller, Pharmacy Intern ("Respondent") for ninety (90) days and in support of its petition states the following:

1. This Board has jurisdiction to suspend Respondent's license in accordance with the provisions of Ind. Code Ch. 4-21.5-4 and Ind. Code § 25-1-9-10.

2. Respondent's address on file with the Indiana Professional Licensing Agency is 810 West Hampton, Indianapolis, Indiana 46208.

3. Respondent is a licensed pharmacy intern in the State of Indiana having been issued license number 45016216A on January 4, 2010.

4. At all times relevant herein, Respondent was employed as a pharmacy intern with Cowan Pharmacy ("Cowan") in Lebanon, Indiana.

5. Respondent is a senior student in the Butler University College of Pharmacy and Human Science Pharmacy Program ("Butler Program").

6. On or around January 28, 2013, Respondent was arrested for theft of a controlled substance, Adderall, from Cowan after he admitted to the arresting officer that he had taken the Adderall for personal use.

7. In an email on or around January 31, 2013 to Cowan, Respondent indicated he "made the biggest mistake of his life today," and "had a severe lapse in judgment during work."

8. On or around February 20, 2013, Respondent was charged with Possession of a Controlled Substance, a Class D felony, in Boone County Indiana Circuit Court under cause number 06C01-1302-FD-0030. The pretrial conference has been set for April 17, 2013.

9. On or around February 25, 2013, the Respondent was suspended from the Butler Program until spring semester 2014, although Respondent will not be eligible to return if his license is under suspension or has been revoked.

10. The Butler Program has mandated that Respondent be evaluated for substance dependency, and Respondent is being assessed at Methodist Hospital.

11. Due to the above facts, Respondent represents a clear and immediate danger to the public health and safety if allowed to continue to practice as a pharmacy intern in Indiana.

WHEREFORE, the State of Indiana requests that this Board set a hearing on this Petition for Summary Suspension and suspend Respondent's license for a period of ninety (90) days and for all other proper relief.

Respectfully submitted,
