PROPOSED SETTLEMENT AGREEMENT

The State of Indiana ("Petitioner"), by counsel, Deputy Attorney General Ryan P. Eldridge, on behalf of the Office of the Indiana Attorney General, and Paul's Pharmacy ("Respondent"), by Counsel Stephanie Eckerle, hereby execute this Agreement as a disposition of the Administrative Complaint filed in this cause with the Indiana Board of Pharmacy ("Board"). This Agreement is subject to the review and approval of the Board pursuant to Ind. Code § 25-1-9 *et seq.* and the Administrative Orders and Procedures Act, Ind. Code § 4-21.5-3 *et seq.*

STIPULATED FACTS

Parties

1. The Office of the Attorney General ("OAG") is empowered under Ind. Code § 25-1-7-7 to prosecute this action on behalf of Petitioner against Respondent's license.
2. Respondent is a pharmacy and holds license number 60006286A, which was issued by the Board on January 5, 2012, and expires on December 31, 2027.
3. Respondent's address on file with the Indiana Professional Licensing Agency ("IPLA") is 4701 University Drive, Evansville, Indiana 47712.

Jurisdiction

4. On April 22, 2025, the OAG received a consumer complaint filed against Respondent, and an investigation was then conducted as authorized by Ind. Code § 25-1-7-5(b)(4).

5. After investigation, the OAG determined that the complaint had merit, and, accordingly, a copy of that consumer complaint was submitted to the Board.

6. The OAG having tendered a meritorious complaint, the Board has jurisdiction to hear this matter under Ind. Code § 25-1-7-5(b)(1).

7. Further, at all times relevant, Respondent was a “practitioner” as that term is defined by Ind. Code § 25-1-9-2. Respondent is also a “person” as that term is defined by Ind. Code § 25-26-13-2.

8. As such, the Board has authority to hear this case and to impose any of the sanctions enumerated under Ind. Code § 25-1-9-9.

Respondent’s Misconduct

Medication 1

9. On February 7, 2025, Patient 1 reported to Respondent’s location to pick up medications.

10. Patient 1 received a bag at the drive-thru that contained her information on the label and her medications within it.

11. The bag also inadvertently contained two (2) prescription bottles that belonged to Patient 2.

12. Patient 1 returned the other patient’s medication to Respondent.

13. The incident resulted in the inadvertent and unauthorized disclosure of Patient 2’s information including name, address, medication names, dosages, frequencies, quantities, directions for use, number of refills, and prescriber information.

Medication 2

14. On April 21, 2025, Patient 1 reported to Respondent's location to pick up medications.

15. Patient 1 was inadvertently provided medications that belonged to Patient 3.

16. Patient 1 returned the other patient's medication to Respondent.

17. The incident involved the inadvertent and unauthorized disclosure of Patient 3's information including name, address, medication name, dosage, frequency, quantity, directions for use, number of refills, and prescriber information.

Mitigating Factors

18. According to Respondent, the two (2) issues referred to above were isolated incidents. Both incidents were addressed immediately by Respondent with personnel at the pharmacy. Since the occurrences of the issues referred to above, Respondent has taken multiple steps to address these issues. This has included revising policies and procedures related to dispensing verification practices, retraining staff on dispensing safeguards, and performing periodic audits on compliance with verification practices.

action pursuant to Ind. Code § 25-1-9-4, any or all of which could lead to additional sanctions, up to and including a revocation of Respondent's license.
