SUMMARY SUSPENSION ORDER

An administrative hearing was held on March 11, 2013, before the Indiana Board of Pharmacy ("Board") in Room W064 of the Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana 46204, to consider the Petition for Summary Suspension ("Petition") filed against Donna M. Salyer, C.Ph.T. ("Respondent"), by the State of Indiana ("Petitioner") on March 4, 2013.

The State of Indiana was represented by Darren R. Covington, Deputy Attorney General. Respondent failed to appear by person or by counsel.

The Board, pursuant to Ind. Code § 4-21.5-4-1 *et seq.* and Ind. Code § 25-1-9-10, by a vote of 5-0-0, **SUMMARILY SUSPENDS** the certification held by Respondent for ninety (90) days as the Board finds that an emergency exists and that Respondent represents a clear and immediate danger to the public health and safety if allowed to practice pharmacy in the State of Indiana.

This **NON-FINAL** emergency order is based on evidence supporting the following findings:

1. This Board has jurisdiction to suspend Respondent's certification in accordance with the provisions of Ind. Code ch. 4-21.5-4 and Ind. Code § 25-1-9-10.

2. Respondent's address on file with the Indiana Professional Licensing Agency is 11 North 5th Street, Batesville, Indiana 47006.

3. Respondent is a certified pharmacy technician in the State of Indiana having been issued certification number 67005336A on December 29, 2003.

4. At all times relevant herein, Respondent was employed as a pharmacy technician with Margaret Mary Community Hospital ("the Hospital") in Batesville, Indiana.

5. Over the past several years, Respondent has held a medical prescription for zolpidem.

6. On or around August 10, 2012, Respondent forged a pharmacy technician's signature on delivery invoices for unauthorized orders of prescription zolpidem.

7. On or around December 5, 2012, Respondent forged a pharmacy technician's signature on delivery invoices for unauthorized orders of prescription zolpidem.

8. On or around December 24, 2012, pharmacy technicians alerted the Director of Pharmacy Services for the Hospital ("the Director") that a zolpidem invoice contained the forged signature of a pharmacy technician who was not scheduled to work on the date the invoice was signed.

9. On or around January 4, 2013, the Director submitted a DEA Form 106 Report of Theft or Loss of Controlled Substances, which reported 1,900 missing zolpidem tablets, a schedule IV controlled substance.

10. On or about January 7, 2013, the Director noticed several missing doses of hydrocodone and ten additional missing tablets of zolpidem following Respondent's weekend shift.

11. On or around January 8, 2013, Respondent admitted to the Director that she ordered bulk zolpidem and took the prescriptions home with her over the previous 6 to 9 months.

12. On or around January 8, 2013, the Hospital terminated Respondent's employment.

WHEREFORE, RESPONDENT IS ORDERED to immediately cease all acts constituting the practice of pharmacy for a period of ninety (90) days, effective March 11, 2013.

ORDERED, this 22 day of March, 2013; this Summary Suspension Order is effective as of March 11, 2013.
