FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

The Indiana Board of Pharmacy ("Board") held an administrative hearing on May 12, 2014, in Room W064 of the Indiana Government Center South, 302 West Washington Street, Indianapolis, Indiana concerning the "Order to Show Cause" issued by the Board which alleges that Donnielle Shead violated the terms of probation on her certificate and should have her certification as a pharmacy technician disciplined.

Amanda Elizondo, Deputy Attorney General, represented the State of Indiana. Shead appeared in person and waived her right to be represented by counsel.

The Board, after considering the evidence and taking official notice of its file in this matter, by a vote of 6 to 0 issues the following Findings of Fact, Conclusions of Law and Order:

FINDINGS OF FACT

1. Shead, who has a mailing address of 3620 Nicholas Lane, Columbus, Indiana 47203, is a certified pharmacy technician with certification number 67008613A.

2. In April 2014, the Board issued an "Order to Show Cause" against Shead alleging that Shead's certification should be disciplined because she violated the terms of probation on her certificate. The allegations were based on the assertion that she was not making her personal appearances. The terms of probation on her certification stated specifically that she should make personal appearances before the Board on a quarterly basis.

3. During the hearing Shead admitted that she had missed some of her personal appearances.

4. Shead maintained that she has been dealing with very difficult family issues involving the criminal activities of her husband. Addressing these matters preempted her appearances before the Board.

5. Shead testified that she has complied with the other terms of her probation and that she has the support of her employer.

6. Shead stated that she will resume making her regularly scheduled appearances.

7. Shead has technically violated the terms of her probation but due to the mitigating factors of her family situation no purpose would be served by further disciplining her certificate.

CONCLUSIONS OF LAW

1. A pharmacy technician's certificate is subject to discipline if she violated an order of the Board. Ind. Code § 25-1-9-4(a)(10).

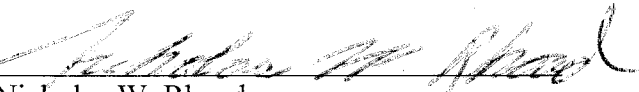

2. The Board concluded that Shead had violated the order placing her certificate on probation.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board concludes that Shead violated the terms of her probation but will not impose further discipline on Shead's certificate at this time.

SO ORDERED, this 21st day of May, 2014.
