Re: Pharmacy license

Dear Ms. Wisniewski:

You were ordered to appear before the Indiana Board of Pharmacy on October 19, 1998. You did not attend that meeting but wrote a letter to the Board dated October 7, 1998. In your letter you state that "I neither want nor need a Pharmacist's license and I do not wish to pursue this matter." The board reviewed your letter at its meeting on October 19, 1998, and will treat it as a written request to surrender your license.

The Board approves the surrender of your license and does not impose any conditions on the surrender or reinstatement of that license.

Sincerely,

Laura Langford
Executive Director
Indiana Health Professions Bureau
