

2. On November 2, 1990, Respondent's license was suspended after disciplinary charges were brought by the State of Indiana.

3. The Board's Order of December 21, 1990 required Respondent to provide the Board with complete evaluations from a board certified internist and a board certified addictionologist prior to his filing a petition for reinstatement of license.

4. The Board's Order of December 21, 1990 further required that Respondent present to the Board, prior to reinstatement, either the identity or a personal appearance of a dentist licensed to practice in Indiana who was willing to engage in indirect supervision of Respondent's probationary practices.

5. On March 11, 1991, the Board received Respondent's petition for reinstatement of his suspended license.

6. Respondent failed to present both the results of a complete addictionology examination and the results of a complete internal medicine evaluation to the Board.

7. Respondent failed to present either the identity or a personal appearance of a dentist licensed to practice in Indiana who had agreed to indirectly supervise Respondent in the event that Respondent's license was reinstated.

8. Respondent testified at the November 1, 1991 hearing that he attempted to order medications from Interstate Drug Exchange, Amityville, New York while his license was under suspension.

9. Respondent testified that he intended to use one of the above-mentioned medications, Indomethacin 50 mg., for the treatment of his own arthritis.

10. The Board has jurisdiction to hear this cause.

11. The Board finds that Respondent has failed to fully comply with the Board's Order of December 21, 1990.

12. The Board finds that Respondent is not able to return to the practice of dentistry with reasonable skill and safety to the public.

ORDER

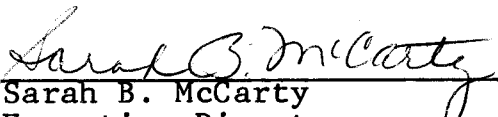

Based on the foregoing Findings of Fact, the Board issues the following Order:

Respondent's petition for reinstatement is hereby DENIED.

All of which is ORDERED, ADJUDGED and DECREED this 25th day of November 1991.
