ABOUT THE INDIANA ARTS COMMISSION
On behalf of the people of Indiana, the Indiana Arts Commission (IAC) advocates engagement with the arts to enrich the quality of individual and community life. The IAC encourages the presence of the arts in communities of all sizes while promoting artistic quality and expression. The IAC advocates arts development opportunities across the state, and stewards effective use of public and private resources for the arts. It stimulates public interest in, and participation with, Indiana’s diverse arts resources and cultural heritage. The IAC works to enhance public awareness of the arts, life-long learning opportunities, and arts education programs. Governed by a 15-member board of gubernatorial appointees, the IAC serves all citizens and regions of the state.

REGIONAL ARTS PARTNERSHIP
Established in 1997 and working in collaboration with the IAC, the Regional Arts Partnership (RAP) exists to promote and expand arts participation in Indiana. The RAP structure provides local access to arts services and funding opportunities throughout the State of Indiana. Services include, but are not limited to, information and referral, technical assistance, and regranting of state and federal funds through the Regional Initiative Grant Program (RIG). The RIG program was developed to help provide Indiana citizens access to quality arts and cultural activities, with special attention to underserved communities. RIG programs include Arts Project Support (APS), Arts Operating Support I (AOS I), and Arts Operating Support II (AOS II).

ABOUT THE ARTS PROJECT SUPPORT (APS) PROGRAM
Description
For FY2017, July 1, 2016 – June 30, 2017, RIG Arts Project Support (APS) grants provide funding to Indiana arts and non-arts organizations* to support a distinct aspect of the organization’s arts activities, such as a one-time event; a single production; an exhibition; an educational seminar; or series of related arts activities, such as art classes or training sessions.

* Non-arts organizations do not have the arts as their primary mission. They include pre-K, elementary, secondary, schools, and, in some cases colleges and universities; senior centers; parks and recreation departments; civic and community service organizations; professional associations; public libraries; public broadcast stations; health and human service agencies; and other public agencies and private nonprofit tax-exempt community based organizations.

Objectives
To provide the general public access to quality arts and cultural activities, with special attention to underserved communities. “Underserved communities” include people lacking access to arts programs, services, or resources due to isolated geographic location, low income, age, race/ethnicity, cultural differences, disability, or other circumstances.

If any discrepancies are found (such as incomplete answers or uploads), your application may be ineligible for review.

Each eligible application will be reviewed and scored by a conflict-free panel of professional peers. The panel review will take place on April 13, 2016 and will be open to the public for observation and may be recorded. Applicants are invited and encouraged to attend to hear feedback. The quality of the recorded session is not guaranteed. Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel meeting and location will be posted on the RAP website [http://www.in.gov/arts/2489.htm](http://www.in.gov/arts/2489.htm) and/or IAC website.

Organizations that have a total of 75 or over will be eligible for funding. Evaluation criteria details can be found on the IAC website. Information submitted in the application will be reviewed according to the following evaluation criteria:

The Indiana Arts Commission will review and ratify the funding recommendations at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission ratifies the grant recommendations.

  - The total budget income or expense will deviate by 20% or more.

- **Final report:** All grantees must submit a completed Final Report due July 15, 2017 at 4:30 PM (EDT). The Final Report is accessible through the [IAC online grants system](#). For grant recipients that do not submit a report by the deadline, the following will result:
  - For reports up to one week late, an automatic 15% will be deducted from the grantee’s total grant award;
  - For reports later than one week and up to two weeks late, the entire final grant payment will be rescinded and;

Grant monies cannot be used to pay taxes.

- **Public manifestation, fair labor, drug free, and civil rights:** The signed Grant Agreement indicates that the organization and its representative understand the detailed information provided at this [link](#) and are in compliance with these laws.

- **E-Verify Memorandum of Understanding (SEA 590):** [Senate Enrolled Act 590 (SEA 590)](#), signed into law by Governor Mitch Daniels in May 2011, stresses that State agencies cannot award a grant of more than $1,000 to a grantee unless the grantee documents enrollment and participation in the E-Verify program, affirming that a grantee does not knowingly employ an unauthorized alien. An explanation of the legislation can be found [here](#). Your organization must comply with this legislation upon acceptance of your grant or you risk losing the grant and rescinding of any funds paid. You can find more information at the [E-Verify website](#).

**PAYMENT SCHEDULE**

All payments are contingent upon adherence to all grant guidelines and reporting requirements. The first grant payment will be for 75% of the total award. The second and final grant payment will be 25% of the total award. It takes approximately three months from the time the correctly completed forms are submitted until the recipient receives the payment. If the grantee fails to comply with the contract, reporting, logo, or the letter to elected officials requirement, the IAC may rescind the entire grant amount and this may jeopardize future grants from the Indiana Arts Commission.

**RECONSIDERATION POLICY AND APPEAL PROCESS**

The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel’s choices/judgment over the original panel’s decision. Dissatisfaction with the denial of a grant or
the amount of an award is not sufficient reason for an appeal. For more information refer to the website at: http://www.in.gov/arts/2680.htm.
