Acceptable expenses include artists' fees, administrative fees, staff development and training, space and equipment rental, promotional costs, personnel and production costs, and supplies needed to support the programming activities. IAC funds can provide fee subsidies to presenting organizations that wish to purchase the grantee's services.

The grant award funding may not be used to cover unacceptable expenses which include: cash reserves; deficit reduction, or deficit elimination; events in private dwellings or other locations not open to the

general public; consumable supplies and materials; capital acquisitions (purchase of artwork, etc.); capital expenditures; equipment, restoration, or new construction of buildings; travel outside the United States; indirect costs or underwriting for ongoing residencies or curricular programs in degree-granting colleges and universities; projects to be delivered outside the state of Indiana; project expenses outside the grant period; and activities that are solely for the purpose of fundraising, private functions, religious services, lobbying activities, or any non-public activity.

Application Review

The application deadline is March 5, 2019 4:30 PM (EST). After receipt of completed application, the Regional Arts Partner will review materials to ensure that all required information was submitted, and the application is eligible for review. If any discrepancies are found (such as incomplete answers or uploads), the application may be ineligible for review. Each eligible application will be reviewed and scored by a conflict-free panel of professional peers. The panel review will take place in the spring of 2019 and will be open to applicants and the public for observation and may be recorded (although audio quality is not guaranteed.) Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel location and date will be posted on the RAP website and/or IAC website.

Applications will be scored on a 100-point scale. The scores will be included as part of a funding formula to assist with the allocation of grant awards. Applications that have a total score of 80 and over will be eligible for funding. Evaluation criteria details can be downloaded as a PDF by clicking [here](#). Information submitted in the application will be reviewed according to the following evaluation criteria (each worth 25 points):

- **Community Engagement:** Extent to which the applicant organization can demonstrate an active, two-way, ongoing relationship between the applicant and community in the planning, participation and evaluation of the proposed activity(ies), which includes intentional strategies for diversity, equity, access, and inclusion.
- **Organizational Excellence:** The extent to which the applicant organization can demonstrate sound fiscal management and administrative policies and a demonstrable commitment to continuous improvement, preservation and development of the art form.
- **Arts Education:** The extent to which the applicant organization can demonstrate strategies designed to transfer specific training, skills, abilities and/or knowledge in the arts through publicly recognized standards (e.g. workshop leader has relevant experience; education standards are integrated if a school-based activity.).
- **Artistic Quality:** Relative to the budget size of the organization, the extent to which the applicant demonstrates a committed effort to provide its audience a meaningful, impactful, quality and authentic artistic experience(s).

Grant Award Determination

Following the panel meeting, a Commission-approved funding formula is applied to determine the specific grant recommendations. The applicant does not request a grant amount. The grant amount is based on the average of the applicant's last three years of total cash income, panel's ratings, number of eligible applicants, and the dollars available.

The grant award cannot be more than 20% of the applicant's three-year cash operating income average. These completed cash financial statements must have been approved by the organization's Board of Directors.

The AOS II budget breakdowns are:

- \$250,000 to \$499,999 (No grant awards made in this category)
- \$500,000 to \$749,999 (No grant awards made in this category)
- \$750,000 to \$999,999 (No grant awards made in this category)
- \$1million + (No grant awards made in this category)

The Indiana Arts Commission will review and ratify the funding recommendations at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission meeting.
