# Big Red Liquors Receives Minority Investment from Independent Investor Group

## M&A Engagement Overview

*Exhibit 8 - Ray Cox (3 pages)*

Industry Group: *Consumer*

Area of Focus: *Food & Beverage*

Harris Williams advised Big Red Liquors on their minority sale to an independent investor group.

Investors are drawn to multi-site retail as it continues to experience significant tailwinds. We are thrilled to have helped Big Red find an ideal partner and are excited to see what the company accomplishes in their next chapter.

Indianapolis-based Big Red is one of the largest multi-site liquor retailers in the United States. The company delivers a best-in-class shopping experience across their network of conveniently located, easy-to-navigate stores.

Big Red garnered significant investor attention due to their continued strong same-store sales and history of successful acquisitions. The liquor retail industry is highly fragmented, and Big Red's unique consolidation strategy has generated an impressive track record of growth. The company is also recognized for their commitment to offering a convenient shopping experience and wide selection of leading, emerging, and private label brands.

With their new partner, Big Red will be able to continue executing on their strategic growth initiatives.

Contact the Harris Williams *Consumer Group* to learn more about this transaction.

The power of Lou's voice! Please find the Jan-June Pulse Calendar for Diageo attached.

Jan will be dark except for the 500cs M/M. The only deals on in February better than the 500cs are the Bailey's 50cs brand and Bulleit 50cs brand.

For clarification, the other deals marked on the grid for Feb. are discounts to our 5cs plans that are not better than the 500cs.

I will follow up Friday with an updated tally on all brands. I appreciate your time today and please reach out with any questions or concerns,

Thanks

New 375ml 202601226 (ml) medium

I am guessing the group probably isn't interested, but I at least wanted to let you know about the below deal that just came out last night. The co-op had 155 cases on last week's delivery, so would need another 345 cases to hit the deal. I was told they would direct ship it to each account instead of delivering as a co-op.

Buyer represents that it is authorized under applicable law to purchase all the products delivered to the invoice, and that all such products were ordered by buyer and have been received without any damage, unless noted on invoice at time of delivery. SELLER EXPRESSLY DISCLAIMS ANY WARRANTY, INCLUDING OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. BUYER WAIVES CONSEQUENTIAL, PUNITIVE, TREBLE, OR STATUTORY DAMAGES OR PENALTIES. The parties agree to arbitrate any disputes between them on an individual basis in Miami, FL before the American Arbitration Association in accordance with its Commercial Arbitration Rules. The parties each waive the right to serve as a class or PAGA representative or to participate in a class or collective action in any legal proceeding between them.

If not paid according to invoice terms, seller may revoke credit, rescind discounts, request buyer as obligant to appropriate agencies, and, if seller prevails, recover its costs of collection and attorney's fees. Returned checks are subject to the lower of \$30 or the highest fee allowed by law. Past due balance will accrue interest at the lesser of the highest rate permitted as required by law, or 1.5% per month pro-rated.
