ENGLISH 11 LITERATURE&COMP - Hendrix

The privilege of being a native English speaker means that in the US, you don't worry about communicating in public.

The privilege of being straight sized is that you can go into any clothing store and find something that fits.

The privilege of celebrating Christian holidays means that the work and school calendar revolves around your traditions, and you feel included and seen in December.

The privilege of being white or white passing means not worrying about being racially profiled.

Assignment Details

ENGLISH 11 LITERATURE&COMP - Hendrix

The privilege of being cisgender is not having to feel anxious or worry about being harassed when you use a public bathroom.

Privilege is not just about money. Do not simplify it down to being financially stable, comfortable, or wealthy.

Submission & Rubric

Description

After reading, annotating, and discussing Peggy McIntosh's considerations from an excerpt from "Unpacking the Invisible Knapsack" about advantages the white community experiences, take time to mindfully reflect on the following prompt before writing a paragraph response:

How have advantages shaped my perspective & identity?
