As noted in Chapter 1, the BMV issues three types of credentials: driver’s licenses, learner’s permits, and identification cards. Once your credential has been issued, it is valid for a defined period of time and may be renewed, amended, or replaced based on your circumstances. Please read the section titled For-Hire Endorsement in Chapter 2 for information on renewing, amending, or replacing a chauffeur’s or public passenger chauffeur’s license.

If you lose your credential while temporarily residing outside of Indiana, you may obtain an interim credential subject to certain qualifications. If your residential address, name, or gender has not changed, you may renew your credential online at IN.gov/BMV, if eligible. You may renew your credential online every other renewal. For a full listing of the online renewal, replacement, and amended credentials requirements, continue reading or visit IN.gov/BMV.

RENEWING A CREDENTIAL

A probationary driver’s license expires when the card holder is 21 years and 30 days of age. All other credentials expire at midnight on your birthday.

If your birthday falls on a day when BMV branches are closed, your credential expires at midnight on the next business day. Credential expiration dates vary for residents with temporary lawful status. All individuals are subject to an administrative penalty if your credential is renewed after the expiration date.

If you are renewing a driver’s license that has been expired for at least 180 days but not more than three years, you must pay an administrative penalty, pass a knowledge exam, and pass a standard vision screening.

If you are renewing a driver’s license that has been expired for three or more years, you must pay an administrative penalty. Additionally, for a driver’s license renewal, you must pass a knowledge exam, a driving skills exam, and a standard vision screening.

A driver’s license or identification card may be renewed by U.S. citizens or individuals with permanent lawful status up to 24 months before the credential expiration.

Individuals with lawful temporary status can only renew up to 30 days prior to the expiration of their current credential. A learner’s permit may be renewed up to 31 days before it expires.

⇒ If you are at least 21 years of age and have six or more active points on your driving record, you must take the knowledge exam to renew your driver’s license.

Driver’s License Renewal for United States Armed Forces Personnel

If you are temporarily living outside of Indiana because you are serving with the United States Armed Forces, your driver’s license remains valid for 90 days following your discharge from service or post-deployment. If you meet certain requirements, you may renew your driver’s license online at IN.gov/BMV. Visit IN.gov/BMV for a listing of those requirements.

If your Indiana driver’s license is expired and you wish to obtain a renewed license after you have been discharged, you must visit a BMV branch to provide Department of Defense documentation showing proof of your discharge or status as post-deployment. You may also choose to add a veteran indicator to your credential at that time, provided you bring your DD-214 into the BMV branch with you.

AMENDING A CREDENTIAL

After you have legally changed any personal information, you must amend the information that appears on your credential. You may amend your credential at any BMV branch. Below are a few common reasons you may need to amend your credential.
**Address Change**

If you have an Indiana credential, you must notify the BMV of a change of your principal (legal) address and apply for an amended credential within 30 days of the address change.

To change your principal (legal) address on your credential, you must visit a BMV branch to present documents as described in Appendix A.

➤ You may change your mailing address online at [IN.gov/BMV](http://IN.gov/BMV) or at a BMV Connect kiosk.

**Name Change**

You must visit a Social Security Administration office to officially change your name on Social Security documentation and allow at least one business day after your name change transaction is completed before visiting a BMV branch to amend your credential. You will need to visit a BMV branch to apply for an amended credential within 30 days of a name change. You must present documents as described in Appendix A.

**Gender Change***

If you have a gender change procedure and hold an Indiana credential, you may visit a BMV branch to apply for an amended credential that indicates the change. You must present a certified amended birth certificate or a physician’s signed and dated statement, on letterhead, that includes the language from 140 IAC 7-1.1-3 "<insert customer’s name> successfully underwent all treatment necessary to permanently change <insert customer’s name> gender from <insert old gender> to <insert new gender>”, or a Physician’s Statement of Gender Change – State Form 55617, completed in its entirety by both the applicant and the physician.

* At the time this manual was published, a proposed administrative rule to modify procedures to amend gender information on a driver’s license or identification card was in process. Please visit IN.gov/BMV for the most up-to-date requirements.

**REPLACING A CREDENTIAL**

If you lose your credential or if it is stolen, you may replace it by logging into your [IN.gov/BMV](http://IN.gov/BMV) account or visit a BMV Connect kiosk to order a replacement, provided your name, gender, or residential address information has not changed. You may replace your credential online a maximum of 10 times before you are required to visit a BMV branch for a replacement.

You may change your mailing address online. However, if any other information has changed, you cannot order a replacement online and you must visit a BMV branch to amend your credential within 30 days of the change and present documents as described in Appendix A.

If you are planning to visit a BMV branch, consider upgrading to a Real ID-compliant credential if you do not already have one. Please refer to the Real ID section in Chapter 1 for documentation requirements.
