PERSONALIZED LICENSE PLATE (PLP)

Quick Reference Guide for Customers

This is a quick reference guide and is not intended to be a comprehensive list of all rules and requirements for PLP's. Following this quick reference guide does not guarantee that a specific PLP will be granted.

Eligible Vehicle Types

- Passenger Motor Vehicle
- Truck with a declared gross weight of not more than 11,000 lb.
- Motorcycle (includes Autocycle)
- Recreational Vehicle (RV)

Eligible License Plate Types

- Standard Indiana Passenger: issued for passenger motor vehicles, trucks and RVs
- Standard Indiana Motorcycle: issued for motorcycles and autocycles
- In God We Trust
- Disability
- Disabled Hoosier Veteran
- Military
- Special Group Recognition, including Organizational (except Colts) and College/University

PLP Character and Spacing Rules

The table below describes the maximum number of characters permitted for each license plate type:

Standard Indiana PLP	
Passenger (issued on passenger, truck, and RV plates) If all 8 characters are used, at least one of the characters must be a space.	Maximum characters = 8
Motorcycle	Maximum characters = 6
All Other Specialty PLPs	
Passenger plate size	Maximum characters = 6
Motorcycle plate size	Maximum characters = 5

- May not contain numbers only
- Must contain at least two characters
- May not have 2 or more consecutive spaces
- May not include punctuation or special characters (e.g. &, #, $, @)
- May not duplicate the format of any other regularly issued license plate. For example:
  - Passenger plate format is three numbers followed by one to three letters (NNNAAA)
  - SGR format is two letters followed by one to four numbers (AANNNN)

PLP Message Preferences

Use the workspace provided to write PLP message options that you would like to check availability. Please write them in order of preference.
