Microchip Electronic Implant

Description

How to Obtain

ISO 11784 and 11785
Compliant Implantable
Microchip

Contact EZid Livestock Identification company to order the USDA approved Avid RFID Injectable Transponder at sales@EZidAvid.com or (877) 330-3943. Specify ISO compliant. *Microchips are official for breed-registered animals only, and the number must be recorded on the registration paperwork.*

Tattoo

Legible tattoos are considered official ID if the animal is accompanied by registration papers with the tattoo number noted OR if the tattoo contains the scrapie flock ID number along with an individual animal ID number.
