- Learn more and read the council's strategic plan at www.in.gov/icc

Indiana Works Councils

- 11 regional working groups established in 2013
- Learn more at www.in.gov/irwc

College Success Coalitions

- Established in 2010, by 2016 there will be a coalition in each of Indiana's 92 counties
- Learn more at www.in.gov/learnmoreindiana

Conexus Indiana

- The Conexus Indiana Champion Schools program brings together schools and employers around the state to help create a pipeline of skilled workers for the advanced manufacturing and logistics sectors.
- Dream It. Do it. program and website (DreamItDoItIndiana.com): Student-focused resources to help students explore their career options in advanced manufacturing and logistics.
- Launched Conexus Interns program in 2015 for 111 students in 21 counties for a six-week summer internship program. The program will go statewide in 2016.
- Learn more about Conexus at www.conexusindiana.com.

ISTEM Resource Network

- A partnership of Indiana public and private colleges, businesses, K-12 schools and government leaders focused on improving college and career readiness in STEM disciplines.
- The Indiana STEM Action Coalition is the network's policy arm, focused on providing knowledgeable, fact-based policy advice to Indiana's education decision makers so that education and workforce policies are aligned to STEM workforce needs and priorities.
- Learn more at www.istemnetwork.org.

Indiana INTERNnet

- Indiana's free, one-stop-shop for posting and finding internship opportunities.
- Learn more at indianaintern.net.

This is not an exhaustive list of programs that promote career-ready experiences for Indiana students. If you would like to share successful efforts in your community, please send them to swilson@che.in.gov.
