**HIGHER EDUCATION**

**REQUEST FOR PROPOSALS**  
**21st Century Scholars Video Production**  
**February 15, 2017**

**A. Purpose**

To redesign the three Scholar Success Program videos. Videos are part of the Scholar Success Program, which all Scholars must complete to earn the 21st Century Scholarship. Videos will be posted on ScholarTrack, YouTube and other video hosting sites for all Scholars to view.

**B. Background**

Indiana's 21st Century Scholars program is a needs- and performance-based program that provides students the opportunity to earn up to a four-year scholarship at an Indiana college or university.

The Indiana Commission for Higher Education is a 14-member public body created in 1971 to define the missions of Indiana's colleges and universities, plan and coordinate the state's postsecondary education system, and ensure that Indiana's higher education system is aligned to meet the needs of students and the state.

The Scholar Success Program consists of 12 college and career exploration activities 21st Century Scholars must complete in high school. The graduating class of 2017 is the first class required to complete the program. Students who fail to complete the program will not receive the scholarship.

**C. Services Sought**

Learn More Indiana seeks estimates for the redesign and production of the [Paying for College 101](#), [College Success 101](#) and [Estimating Your College Costs](#) videos. All videos can be found on Learn More Indiana's YouTube page, [YouTube.com/learnmorein](http://YouTube.com/learnmorein).

Redesigned videos should be animated, upbeat and exciting without being tacky. Learn More Indiana is open to suggestions to the script that would shorten the videos and make them more engaging without compromising the content. Target audience for the videos are high school 21st Century Scholars. These are often low-income students who will be the first in their families to attend college. High school Scholars range in age from 14-18.

The selected vendor will meet with appropriate staff from the Indiana Commission for Higher Education upon award to confirm goals and metrics and develop a master timeline complete with all deliverables and responsible parties.

**D. Response Requirements**

Responses are limited to no more than 15 pages, excluding appendices, and must include a description of the entity interested in providing the services, including:

- History of company, services, experience
