Commission for Higher Education

COMMISSION MEETING

## Site

Indiana University Purdue University Fort Wayne  
2101 Coliseum Blvd, East  
Fort Wayne, IN 46805-1499

Thursday, June 13, 2013

### Purpose

*Reaching Higher, Achieving More* calls for a system of higher education that is student-centered, mission-driven and workforce-aligned. The Commission's work will focus on the following three challenges.

#### Completion:

Students and the state are not well served by an empty promise of college access without completion.

#### Productivity:

A more productive higher education system will increase student success and safeguard college affordability.

#### Quality:

Increasing college completion and productivity must not come at the expense of academic quality.
