DISCUSSION ITEM C: Ivy Tech Presentation on Transfer of Credit

Staff Recommendation For discussion only.

Background At the February 2010 meeting of the Commission for Higher Education, a wide-ranging discussion on transfer of credit took place in connection with consideration of an Ivy Tech Community College request for a new degree program. During this conversation, the Commission invited Ivy Tech to make a more comprehensive presentation on transfer of credit at a subsequent meeting. The College has reflected on this topic and has prepared a presentation for the May meeting.
